Stipend in the hill training schools in the Vijay Agency.
In p. No 152 Home (Edn) & 5-2-19, Govt sanctioned temporarily for a period of one year the proposal of the Agent to the Gov in Vijayapatam, to raise from Rs 1/- pm to Rs 2/- pm. the rate of stipend of pupils undergoing training in the Hill Training Schools in the Vijayapatam Agency. The Agent was also requested to report at the end of the period as to the need for continuing the stipend at the enhanced rate.

2. The Agent now reports that the sanction has been given effect to with effect from the dates of opening of the schools, (June 1918 in the case of 3 of the schools. The date of opening of the 4th school is not exactly known) and requests further sanction for the continuance of the enhanced rate of stipend for another year. The reasons urged in favour of the present proposal are much the same as those put forward on the previous occasion. Cf. ^{the agent's} letter on p. 12 of S.O. No. 152 Home (Edn) & 5-2-19.

Stipend in the hill training schools in the Vij. Agcy.
In his letter No. 509, & 16.8.18, the D.P. recommended the reduction from Rs 6/- per month to Rs 5/- per month of the rate of stipend of pupils undergoing training in the sessional school for Savaras at Parlakimedi on the ground that the latter amount was sufficient for the boarding and clothing of the pupils. This proposal was sanctioned in G.O. No. 1213 Home (Edn) & 11.9.18. Later on in his letter No. 8483 & 31.10.18, the D.P. supported the recommendation of the Agent to the Govr, Vijayapatnam, for an increase from Rs 5/- per month to Rs 8/- per month (on the ground of high prices) in the rate of stipend of pupils undergoing training in the hill training schools in the Vijayapatnam agency. In G.O. No. 152 Home (Edn) & 5.2.19 the Govt sanctioned the proposals temporarily for a period of one year.

3. It is submitted that if pupils from the Ganjam Agency can manage to live in the plains further away from their homes on a stipend of Rs. 100 per month it should also be possible for those ^{pupils} undergoing training in the hill training schools in the Vigapapatam Agency, which are situated nearer their homes, to maintain themselves on the same amount. The D.P.I. may be requested (uo) to explain why when a decrease in the rate of stipend was proposed in one case, an increase in the scale is recommended in the other. The proposal was

It sanctioned ^{as} a temporary measure for the Vigapapatam Agency. The proposal to continue the increased rates needs closer scrutiny lest they ^{might} become gradual permanent.

In the first place the cost of living is not mainly dependent upon the distance of a person from his home but upon the cost of the necessities of life in the place where he has to live for the time being, pitched

In the second place, it is of no advantage to a student to attend a training school near his home unless it is sufficiently near to ^{his home & enable him} to live at his home. It is proving more expensive for him to live 10 miles from the training school than it would be for him to live 100 miles away from it.

I was in Ranipet a few days back, and was informed that the cost of the bare necessities of life for training students was Rs 2/- less in Villaputtur than at Ranipet, my informant being one of our officers who had recent experience of hostel management in both places.

We are dependent for information regarding the cost of living in these places upon local officers and so long as the rate of stipend proposed is within the rates laid down in Rule 118 of the L.E.R., and ~~and~~ is prima facie reasonable, I am inclined to recommend its acceptance.
