Sir,

I have the honour to forward herewith an application for exemption from the examination rules of one G.V. James for employment as sub assistant in the office of the Government Sugarcane Expert, Coimbatore. He was employed as Fieldman in that office in 1912 but resigned his post in May 1917 with the idea of joining his brother at Ceylon. He now wishes to join again. He has been put in about 4½ years work in this section and proved during that period thoroughly satisfactory, as shown by the certificate granted by Dr. Barber. He has not the required educational qualifications and may be exempted from them. There is no - passed candidate available for the post.

G. V. James has served under me for 6 years and leaving at his own request, as he wishes to join his brother in Ceylon. He has shown himself very adaptable and has been a very useful member of my staff and I shall be sorry to lose him, as he has worked hard and well in anything that I have given him to do.

He has readily mastered the photographic part of my work which was very extensive and has done much useful work in writing out and averaging tables of measurements and so on. He writes a good hand and is very neat in his work. I wish him all success in his future ~~work~~ of labour.
