From (Name) The Hon'ble Mr. R. Littlehales, M.A.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to state that some schools started specially for the improvement of panchama education are reported not to be so flourishing as they should be owing to the difficulty of securing efficient panchama teachers. The Inspector of Schools, IX circle, has brought to my notice the backward condition of the panchamas of South Kanara district and has applied for additional scholarships tenable in higher elementary schools to be awarded to panchama pupils in the South Kanara district to enable them to study in standards VI of a higher elementary school and thence get themselves as teachers of the higher elementary grade. As the number of scholarships tenable in higher elementary

insufficient for the purpose of meeting all reasonable demands of this kind, I have the honour to request the sanction of Government to the award of four additional scholarships of the value of Rs. 2 per mensem each every year in the V1 standard of Higher Elementary schools. These scholarships will be renewed and increased to Rs. 2½ and Rs. 3 per mensem on the pupils promotion to the VII and VIII standards respectively.

2. The ultimate cost of these additional scholarships will be Rs. 300 a year. The cost for the nine months of the current official year from 1st July 1919 will be Rs. 72 and this can be met, from the savings under the allotment for scholarships.

I have the honour to be,

Sir,

Your most obedient servant,

C No. 1913A.

From the S.P.D. Memo 7641/18-9 23. 8-9.

Recently in G.O. 1038 of 28-8-19, the Govt. sanctioned the institution of 16 Scholarships and an equal number of fee remissions for the benefit of Panchamas and other boys belonging to the aboriginal or criminal tribes studying in Secondary Schools. The present proposal relates to Scholarships in higher elementary schools; and the S.P.D. proposes to increase the existing number of such Scholarships by four. The object of the increase is explained in para 1 of the Director's letter. It would appear therefrom that altho the Insp^{rs} IX circle required the additional Scholarships specially for Panchama pupils in the higher standards of Elementary schools in the South Kanara district, the S.P.D. would apparently utilize them for this and other reasonable purposes of a similar nature.

also for pupils in the schools of other districts. The point however, is not quite clear and the D.P.D. may be consulted (or) 2. The extra cost during the current year is Rs 72, and at the end of 3 years when the full number of Scholarships is utilized in each class the extra cost will be Rs 360 a year.

The request is for the increase in the total number of Scholarships for higher elementary classes from 24 to 28, the additional number to be utilized for Panchama pupils. The D.P.D. makes it of general application to Panchama pupils in all Districts. This is right. If such pupils are not found in sufficient numbers in Kanara, the D.P.D. may utilize them for other Districts if need is found for them elsewhere. The proposal may be approved with the concurrence of the Secy.

The eventual extra cost involved in the D.P.I.'s proposal is $(4 \times 2 + 4 \times 2\frac{1}{2} + 4 \times 3) \times 12$ or Rs 360 per annum. The rates of Scholarship proposed are the same as those now in force in the VIth, VIIth & VIIIth standards in Higher Elementary Schools. The D.P.I. has pointed out the source from which the extra cost during the current year can be met. The proposal may, it is subd., be accepted.
