To The Secretary to the Government of Madras,

Through,

The Director of Public Instruction,

Madras.

Sir,

I have the honour to state that a subsidy of Rs.4,000/- was sanctioned for the construction of two elementary school buildings at Tallur and Geddnapalli under the Peddapuram Taluk Board in Government Orders Nos. 1677-Home Education dated 27th December 1918 and 203-Home Education 1919, respectively. The President,---

2
at present for constructing buildings in these places for the following reasons:- the cost of the site at Tallur is estimated at Rs.700/- If this is paid, there will be a balance of Rs.1300/- only, which is not sufficient for a building. The school is 50 strong and is located in a decent rented building; a new building is therefore not required. As for Geddnapalli, the site has not been selected as yet while acquisition takes a long time. The strength of the school is only 64 and it is located in a rented building.

2. There is a school at Sankhavaram with 170 pupils and the Taluk Board President ^{has} proposed the construction of a building there with the subsidy of Rs.4,000/- mentioned above. The acquisition of the site is ^{nearing} ~~near~~ completion and the cost of the site is said to be Rs.420/- an estimate ^{has been} ~~was~~ passed by the Superintending Engineer First Circle; the total cost of the building including the site amounts to Rs. 4,040/- The Taluk Board Peddapur in its resolution No. 28 dated 28th June 1919, copy enclosed, sanctioned the proposal to transfer the grant for the construction of a building at Sankhavaram and to meet the additional cost of Rs.40/- from its own funds. I have seen the village myself and a school building is urgently required - and the rented building in which the school is located is ill suited for the school and a better one is not available in the village. The villagers ^{are} prepared to make a contribution of Rs.500/- for the purposes of the school.

3. I therefore request that Government may be pleased to accord their sanction to the proposal under paragraph 3 of Government Order No. 990-L., dated 7th July 1919.

I have the honour to be,

Sir,

Your most

2. The sanction applied for may be accorded provided that the Inspector of Schools, First circle is consulted by the Board before the plan of the new building for the Sankhavaram Elementary school is decided on.

3. In view of the contribution of Rs. 500/- promised by the villagers the amount of subsidy to be diverted may however be restricted to Rs. 3,500.
