Re No. 5643/19

Station (Camp) Ootacamund, Dated the 7th September 1919.

From (Name) The Hon. Mr. R. Littlehales, M.A.
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.
Through the Accountant-General.

Sir,

I have the honour to request you will be so good as to obtain the sanction of Government for the grant of a compensatory personal allowance of Rs.10/- per mensem to Mr.Cumine, Band Instructor of the Reformatory school at Chingleput with effect from 1st March 1920.

2. Mr.Cumine who was entertained as Band Instructor of the school on Rs.50/- per mensem in September 1907 has applied for an increase of pay or a personal allowance in view of his uniform good work for a period of 12 years and of the high prices of food-stuffs and the application

application has been strongly recommended by the Superintendent of the school. The question of granting a personal allowance to this Instructor was raised thrice before but on all those occasions the Government declined to entertain the proposal; the last order on the subject being G.O.No.730 Educational Mis., dated 5-7-15. As Mr.Cumine has put in a good record of 12 years' service getting a pay of Rs.50/- all the time and has no prospect of promotion in the department, I recommend that he be granted a compensatory personal allowance of Rs.10/- mensem with effect from 1st March 1920. In addition to his pay Mr.Cumine gets a house rent allowance of Rs.15/- per mensem. He was 51 years of age in June last.

3. If my recommendation meets with the approval of Government, I shall make provision for the charges in the Budget Estimate for 1920-21.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Public Instruction.

Subject :- Grant of a personal allowance to the Band Instructor of the Reformatory School, Lehingapur

This is the fourth occasion on which the question of the grant of a personal allowance to the Band Instructor of the Reformatory School, Lehingapur has come up before Grant. The reasons adduced in support of the proposal on the previous occasions were (i) the excellent work turned out by the Instructor (ii) increased responsibility, (iii) increase in the market value of a whole-time band instructor and (iv) rise in the prices of foodstuffs. These however were not considered by Grant to be sufficiently strong to warrant the grant of a personal allowance. The ~~stipulated~~ grounds that are now urged in support of the proposal are ~~his~~ his uniform good work for a period of 12 years, high prices of foodstuffs and ~~the fact that~~ no prospect of promotion. These can ~~be~~ ^{now advanced in the case of} many men of his age and there appears to be no reason to reconsider the previous orders. Subject to approval a draft order is sent

Will this come under the purview
of the Salaries Committee?

[Signature]
29/9/19

The points which will come up
before the Salaries Committee are
those mentioned in the G.O. No. 9. Resoln.
of 11.12.12. The opening sentence of the Resoln
states that the Committee is to
examine the adequacy of the existing

pay of all public servants whose cases were not dealt with by the Royal Commission on Public Services in India. Theoretically, therefore, the Committee may be expected to consider base for the sanctioned pay of the band interest in question is limited to the needs of the case (cf. also para 2 (7) of D.O. at (P)).

p. 2, c. f.

But the present point is that the present incumbent wants a personal allowance because he has been on a stationary pay of Rs 50 p.m. for the past 12 years with no prospects of further promotion. The question is thus largely personal and should, it is thought, be disposed of in the light of the G.O. orders regulating the grant of compensatory personal allowances (p. 5 of G.O. 6007b, dt 27.9.12) and independently of the sphere of the Salaries Committee investigation.

There are ^{at present} two cases in

Inde (B) awaiting decisions of the Committee — (1) memorials from the establishments of the Presidency Magistrates, Comte, Egmore and Georgetown for the revision of their salaries + (2) ^{Grant of} increased allowances to clerks in the High Court.

In case (1), the Under Secy has ordered that "they (memorials) should be laid aside and kept together for eventual transmission to the Committee".

The case is lying over.

As regards (2), Financial have stated that as the question of the emoluments of Govt. subordinates and menials is to be shortly examined by the Salaries Committee, the case of the High Court establishment cannot be considered separately. A reply ^{to this effect} is to be sent to the High Court and the file is being circulated to H.M. and H.M. (File)
