To,

Dewan Bahadur R. Ramachandra Row Avargal,

Secretary to the Government of Madras,

Ootacamund.

Sir,

One Mr. Vijayaraghavachariar who is now a Pandit in the Office of the Assistant Archaeological Superintendent for Epigraphy, Madras, is I know keeping a private job of his own going by the name of "Açaryá's Printing Works" and is put up at No. 35 Katcheri Street, Mylapore. He is manufacturing printing inks of his own and spends most of his time in his own private business and is making money out of it though the Officer is under the impression that he has no other private job. He has got a big board in front of his house and has a Post Box No. 603. Is it not against the rules of the Government to serve under Government and at the same time making money privately by private job. A sudden visit and inspection of his house will give out the details of the Machinery he has got to make printing inks and at the same time the quantity he has got in stock.

Could not the Government see its way to prosecute him for doing like this and thus do justice.

I beg to remain, Sir,

Sir,

Your most obedient servant,

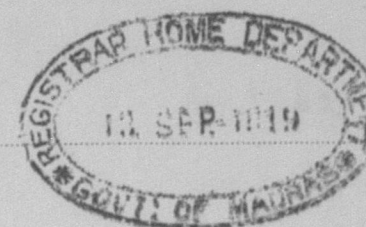

Rengasami naidu.

Sir,

I have the honour to state that one of my employees, Mr. V. Vijayaragavachariyar, a Pandit, in the temporary establishment, pay Rs. 30/- per mensem informs me that he has some interest in a small business-concern in the preparation of ink which was started by his brother with a capital of about Rs. 500/- three years ago, long before he joined my office, and that he is attending to it out of office hours so as to recoup his previous losses and to supplement his poor pay. Having learnt that he must obtain sanction to continue his connection with the business, he has now applied for the necessary

necessary permission. Seeing that his connection with the work has not interfered with the efficient discharge of his official duties, I have the honour to recommend that the Government will be pleased to accord him the necessary permission on the clear understanding that his connection with ~~other~~ ^{this} work (only) will be out of office hours and that it would not in any way allow the office work to suffer.

I have the honour to be,

Lo. 1788/B, from the A.A.S. for Epigraphy

No. 578, dt 11-9-19.

Since the receipt of

the pseudonymous petition (p. 1, c. f.) the A.A.S. has written asking that special permission may be given to the Pandit to continue his connection with the petty business concern in question. The permission of Govt. is necessary under rule 15 of the Govt. Servants' conduct rules. The following facts are reported:

- ① that the business was started by the brother of the Pandit before the latter entered Govt. service
- ② that the concern is a very small affair; and

- ③ that the Pandit's connection with it is rendered necessary to recoup losses incurred previously & to supplement his post salary of Rs 30 p. M.

2 The A.A.S. certified

that the Transit attends to the house
out of office hours and that it does
not interfere with the efficient
discharge of official duties. In these
circumstances there appears to be no
objection to granting the desired
permission. Subject to orders as
draft is subd. It may issue with
the concurrence of Public.

No. I am not prepared
to sanction this. With very few

move after heavy of the public.
