28th September 1919.

The Chief Secretary,
Government of Madras.

O. C. S. M. A. D.

We have the honor to state that the Rajahmundry Divisional Association passed the following resolution at its meeting held on the 14th August and 5th September 1919. We beg to mention that reading men of Telugu Districts brought to the notice of the Government recently that in view of the varied and high attainments of Pandit Kaluri Venkatesa Sastri in Sanskrit (Grammar), Algebra (Rhetoric) and Uttaramama (Philosophy) he richly deserved the title of Mahasabhapati. We beg to enclose a copy of memorial herewith.

That in view of the profound scholarship required for teaching such difficult subjects as Sanskrit, Upanishads, Mahabharata, etc. in Sanskrit and Mahabharata, Amuktamalyada, Bhagavad Gita, etc. in Telugu and in view of the fact that Pandit Kaluri Venkatesa Sastri is preeminently fitted by his great learning and re-search in both the languages to handle with conspicuous ability subjects like meeting places on record the opinion that this valuable service should on public grounds, be secured for the College as long as he is able to discharge his duties and his retirement at present will be a great misfortune to the College and the public.

II. Considering that large number of students are refused admission every year in the Government Arts College, Rajahmundry, for want of accommodation and considering that the growing wants of the College are not adequately met in the present incommensurate building this Association requests the Government to be pleased to make arrangements to shift the College to a better locality.

III. This Association regrets that there is no provision made for Group II (Natural Science) in the Intermediate course in the Arts College, Rajahmundry, while provision is made for the study of Natural Science subjects in the local High School classes and that consequently students are compelled at great inconvenience and expense to go to other places for higher education. This Association urges on the Government the necessity of opening Group II in the Intermediate course in the Arts College as early as possible.

We have the honor to be
Sir,
Your most obedient servants.

To

His Excellency the Right Honourable
JOHN, BARON PENTLAND OF LYTH,

P.C., G.C.I.E.,

Governor of Fort St. George,
MADRAS.

THROUGH THE PRINCIPAL OF THE GOVERNMENT ARTS COLLEGE,
RAJAHMUNDY, AND THE DIRECTOR OF PUBLIC INSTRUCTION.

The Humble Memorial of the UNDERSIGNED.

MAY IT PLEASE YOUR EXCELLENCY,

It is not often that the public approach Your Excellency with a request to accord public recognition to the literary attainments of a scholar in oriental learning and we crave leave to bring to Your Excellency's notice the claims of Brahmasree Kalluri Venkatramasastry, senior pundit in the Government Arts College, Rajahmundry. He is a great scholar of varied attainments and has specialised in Sanskrit Vyakarana (Grammar), Alankara (Rhetoric) and Uththara Mimamsa (Philosophy). He is a proficient in the Hindu systems of Astronomy and Astrology. Besides, he is a poet in Sanskrit and Telugu languages and recently published, among others, an important work on Telugu Grammar which shows great research and eridition and attempts to fix the real authorship of the standard Grammar in Telugu. The great reverence in which he is held by his numerous students testifies to his great abilities, high sense of duty and the good work he has been doing in the cause of education for the last thirty years. Had his talents been employed in English studies, his capacious memory, his keen intelligence and fine imagination would certainly have received State recognition long ago.

Oriental learning found great patronage under Hindu Kings in the Andhra Country and it is gratifying that it has again been obtaining State recognition under the British Government, which has instituted titles for the encouragement of the ancient learning of this land. We beg to state that the historic town of Rajahmundry is the birth-place of Telugu literature and it has maintained its unique position of being the centre of literary activity since the days of Nannaya Bhatta, the first literary poet of Andhradesa, at the Court of Rajaraja Narendra. Among the many scholars which this town has produced, we beg to prominently mention the claims of Mr. Venkatramasastry for recognition at the hands of the Government.

In conclusion, we beg to state that Mr. Sastriar is over fifty-five years of age and is due to retire before long and we venture to state that his profound scholarship and high literary attainments deserve the recognition of the Government. We therefore pray that Your Excellency may be graciously pleased to recommend that the title of Mahamahopadhyaya be conferred upon Mr. Kalluri Venkatramasastry as a personal distinction.

For which act of kindness, we shall, as in duty bound, ever pray.
