No. 4551/19

Station Madras, Dated the 15th September 1919.

From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
LOCAL AND MUNICIPAL Department.

Sir,

When I visited Tirupathur last May it was represented to me that in view of the large Muham-
madan population of that Municipality it was desirable to open another Municipal Muhammadan Elementary School in that town. The Inspector of schools was accordingly asked to report on the need for the proposed school and whether Municipal funds would meet the cost, should the proposal be sanctioned.

2. On the census figures of 1911 the number of Muhammadan boys in Tirupathur who should be attending school is only 371. Of these 336 are at school, - 164

P.T.O.

164 being in the Municipal Muhammadan school and 172 in three un-aided Elementary schools for Muhammadans, -leaving only 35 to be provided for. But the Chairman, Municipal Council, states that the census figures cannot be relied on now and that the Muhammadan population of the town may be taken as 10,000 (Vide enclosed copy of his letter Dis No.218/19 dated 4th August 1919 to the Sub Assistant Inspector of schools, Vellore Muhammadan Range). At any rate both the Chairman and the Inspector of schools consider the need for another Muhammadan Elementary school imperative. I have accordingly the honour to recommend the proposal for the acceptance of Government, the scale of expenditure being the same as that sanctioned for the new elementary schools opened agreeably to G.O.No.74 Home (Education) dated 20th January 1919, Viz.,

<u>Recurring</u>	Rs.
2 teachers (13) & (12)	25/-
Contingencies including house rent	13/-
	38 per mensem
or	456 per annum.
Annual capitation allowance	50
	506 per annum.
<u>Non-recurring</u>	
Cost of equipment	100

3. The Chairman has expressed the inability of the Council to meet this expenditure from its own funds and has applied for a provincial subsidy for the maintenance of the school. Seeing that the proposal is calculated to further the cause of Muhammadan Elementary education at Tirupathur I support the Chairman's request. Assuming that the scheme will be sanctioned with effect from 1st October 1919, the amount required for the current year will be Rs.290/- (Rs.190/- recurring plus Rs.100/- non-recurring). This may be met from the anticipated savings in the current year's budget provision for recurring subsidies.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.

Copy of letter Dis No.218/19 dated 4th August 1919 of the Chairman, Municipal Council, Tirupathur, to the Sub Assistant Inspector of schools, Vellore Muhammadan Range, Vellore.

Adverting to your letter R.O.C.No.203 N.A. dated 14th July 1919, I have the honour to forward herewith a statement giving the information required by you.

According to the memorandum Dis No.273 of 1912 dated 26th January 1912 of the Sub Collector of Tirupathur Division to the Tahsildar of Tirupathur that when it is necessary for statistical purposes to refer to the population of Tirupathur Town the census figure of 1911 should be quoted and a note added to explain that that figure was, because of the plague then prevalent, unduly low, and that 20,000 would be nearer the truth now that the normal population has returned to the town. This figure (20,000) has been approved by Government in G. O.No.235 M.MisA dated 12th February 1918. So the total number of Muhammadan population may be taken as 10,000 since nearly one half of the census population are Muhammadans.
