Sir,

The Principal, Government college, Coimbatore, reports that there are now 2996 volumes in the College library and of these 1097 volumes are new books added to the library since the last publication of the library catalogue in 1916. It is also reported that copies of the catalogue printed last time in 1916 have ~~been~~ run out of stock and that 650 copies of the library catalogue will have to be printed now for the use of the staff and sale to the students considering that this is a publication which will have to be printed only periodically and not every year. I have the honour to request that under these circumstances, sanction may be accorded to have 650 copies of
