Sir,

To Director of Public Instruction
The Secretary to Govt
Madras.

I have the honour to state that a plot of land was acquired by the Council in Velapadi at a cost of Rs 1064-14-5 for the construction of a building for the Municipal Hindu School, Velapadi. The amount was met from the Provincial subsidy sanctioned for the purpose. The raising of a --

building thereon was not undertaken as soon as the acquisition was over for want of funds. At this stage the Council

was requested in Government Memorandum No. 4756-1L., dated -- 31st August 1917 to postpone the construction pending final orders on the report of the Committee on the utilization of buildings in the Fort for public offices. From G.O. No. 332W dated 8th March 1918 which contains final orders on this -- question, it does not appear that the Council will be --

allowed to use the site for the school building in the near future. It has been repeatedly urged by the local Educational officers that the present¹⁸¹ rented accommodation for the school is not sufficient, ¹⁸¹for the school nor the building suitable for the purpose. The Council's attempt to secure a spacious building in that locality has not been successful. In these circumstances, it has been decided to surrender the site already acquired for the purpose to Government and to approach them for sanctioning necessary funds for acquisition of another unobjectionable site for the school, Vide copy of the Council's resolution enclosed. I have since selected a site ~~for the purpose~~ in consultation with the Assistant Inspector of Schools, North Arcot and have also ascertained from the Revenue Divisional Officer, Vellore that the cost of acquisition of this site will approximately come to Rs.2,620.

I request that you will be good enough to approve the proposal of the Council and to sanction necessary funds for acquisition of the new site.

The cost of construction of a building is estimated to amount to Rs.6,000. This was included in my last application to the Director of Public Instruction for grants for the construction of school buildings. I request that Government may be pleased to sanction this amount also.

RESOLUTION NO.IV.

Read Office note regarding the selection of another site for Municipal Elementary School, Velapadi the one already acquired having been included in the block selected for construction of Government Offices.

In view of the orders of Government, the Council proposes to surrender the site to them and requests that sufficient funds for acquiring another site may be sanctioned at an early date as the need for a School house in that locality is being constantly pressed by the officers of the Educational Department and no suitable rented building is available.
