R. C. No. 1933/1919

Station Madras, Dated the 6th June 1919.

From (Name) the Hon'ble Mr. R. Littlehales, M.A.

(Designation) Ag. Director of Public Instruction
M A D R A S.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

I have the honour to submit the enclosed plans (bearing Nos. 32 E/1 and 32 E/2) with estimates amounting to Rs. 24981 for constructing quarters for the Lady teachers of St. Patrick's Orphanage, Adyar, and to state as follows:-

2. The management have already undertaken the undermentioned two big schemes for which two-thirds grants have already been sanctioned:-

(1) Extensions to the school building

Grant sanctioned
Rs. 49,133 vide
G.O. No. 575, dt. 9.2.15

(2) Water supply scheme

11,233 vide
G. O. No. 100 K (am.) 7.2.18

2/

The above works have not yet been completed, and the management now propose to construct quarters for the Lady teachers. The school employs at present one matron and five women teachers. Building grants at two-thirds rate having already been sanctioned to this school, the same rate has been asked for the present scheme. The Correspondent reports that the present financial condition of the institution makes it absolutely impossible for the management to contribute more than one-third of the actual cost. I beg therefore to recommend that Under Article 57 of the Code of Regulations for European Schools, a grant not exceeding two-thirds of the total cost may be sanctioned payable when funds are available.

3. The Correspondent states that the room wrongly marked "bathing room" on the plan is intended for a store room.

I have the honour to be,

Sir,

Your most obedient Servant,

G. W. S. S. S.
for Director of Public Instruction

E. W. NOTE. 88400 4-10-19

I The Director of Public Instruction in his R.C.No.1933/1919 dated 6th June 1919, submits plans bearing Nos.32 E/1 and 32 E/2 with estimate amounting to Rs.24,981 for constructing quarters for the lady teachers of St. Patrick's Orphanage, Adayar, Madras.

II The plans and estimate have been examined by the Chief Engineer and the following remarks are made:-

(1) The 3" x 7½" size of joists carrying the terrace roof is not sufficient. A section 3" x 9" arranged at 18" intervals is considered necessary and economical.

(2) The 12" x 5" x 39 lbs. R.S.Beam proposed over the sitting room, not being of the standard size, should be replaced by a section 12" x 5" x 32 lbs.

(3) The Estimate provides for 1'-3" thick walls for bath and dressing rooms and kitchen against 1'-1½" shown in plan and section. The Estimate should be corrected.

(4) The height of walls have been taken to the top of the terrace; corresponding deductions should be made in the estimate in the item for terrace roofing which as it is gives an extra length and breadth of 1'-0" all round over the correct quantity.

(5) Detail data should have accompanied the rates provided in the estimate; the rate for Cuddapah slab flooring, and also the plinth area rate for a building of its class are considered excessive.

4

h

III With these remarks, the plans and
estimate the latter amounting to Rs.24,981.
are recommended for approval.

Building grant for the
constn of quarters for
the lady teachers of
the St. Patrick's Orphanage
Adyar.

Home (Edn.)

c. 1121/B, from the D.P.D., R.C. 1933/19, 66/6

The first point for consideration is whether the management should be encouraged to go on with this scheme for the construction of residential quarters while, as yet, two other works for which grants have been already sanctioned have not been completed.

p. 2, c. 4 (the management admits that the school finances are not well off). If this point is decided in the affirmative, the plans and estimates may be forwarded w/o to the P.W.D. for scrutiny.

9.6.19

S.

We may at any rate have the plans & estimates scrutinized in P.W.D.

D.S.

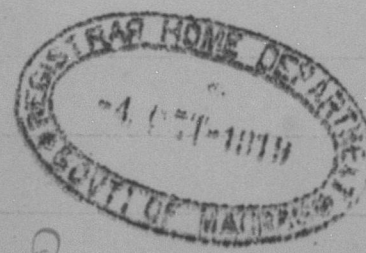

The plans and estimates have been scrutinised in the office of the Chief Engr. and his remarks ^{Thereon} will be found in his note read above. The file may ^{now} be returned ^{h-o} to the Home (Educ) Dept. with the suggestion that the D.P.I. may be asked to obtain from the management of the orphanage and submit a revised estimate ^{after} carrying out the modifications ~~suggested~~ proposed by the Chief Engineer.

~~10.9.19.~~

On a further examination of the points in the E.C.W. note in relation to cost, I do not think that the estimated amount is likely to be reduced very much by any possible reduction in rates or quantities. For the purposes of grant, it appears to me that the cost of the building may be taken as approximately Rs 24,000.
