Re No. 4697/19

Station Madras, Dated the 19-9-1919

From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) Director of Public Instruction, Madras.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

With reference to G.O. No. 462 Educational Mis.

dated 28-4-1916, I have the honour to request the orders of Government as to whether grants under chapters VIII and IX of the Grant-in-Aid Code can now be sanctioned to schools under the Basel Mission. The control of these schools has now been taken over by the National Missionary Council of India with reference to G.O. 1067 Public dated 29th November 1918.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

Subject.

Payment of building and furniture grants to Basel Mission Schools.

[C.R. 1852 B]. From the S.P.D. Re No. 4697/19 29. 9. 19.

- (B) In G.O. No. 4625 of 28. 4. 16. the Govt. decided that building and furniture grants should not be given to hostile mission schools so long as their eventual ownership and management were in question. Since then the National Missionary Council of India has been permitted to take over the control of those schools - vide G.O. No. 1067 of 29. 11. 18. It is, however, not known whether permanent arrangements have been made for the transfer of the ownership of immoveable properties belonging to the Basel Mission to the Board of Trustees and the Board has in its turn transferred the properties to the National Missionary Council or other approved missionary body as stated in para. 1 of the Govt. of India's Order No. 600 of 22-5-19. If the transfers have been completed and the trust deeds executed, there appears to be no objection to the payment of the grants in question. The Revenue (Special) Department may be consulted u.o. as to "K" above.

The Home Ed. Dept. may be informed that the properties of the Basel mission which are now vested in the Custodian of Enemy Property will shortly be transferred to the Board of Trustees and the necessary transfer deeds executed as soon as the schedules of properties are completed. Meanwhile the Govt of India have sanctioned the proposal of the Board of Trustees to give the Chairman of the Board a power of attorney in respect of those properties to enable him to manage the properties and to employ agents pending the completion of the transfer from the Custodian to the Board of Trustees. The Chairman has been asked to forward a draft power of attorney unless he was of opinion that the probability of completing the preliminaries for final transfer at a comparatively early date rendered the power unnecessary. It is likely therefore that the Board of Trustees will come into possession of the properties at an

Early date.

Presumably there is no longer any objection to grants being given to these schools. The enemy control has been eliminated, the German Swiss element has practically disappeared. Most of the Swiss who remain will soon go unless for special reasons they are considered to be undisturbable.
