Home (Education) Department

In connection with the request of the Secretary, Bhandarkar Oriental Research Institute, Poona, for a money grant on behalf of the Conference the Hon'ble Member observed that he did not think there was any case for direct monetary help and the D.P.I. was also against it - vide pages 30 and 40 of G.O.No.1164, Home (Education), dated 22nd September 1919. Attention is also solicited to His Excellency's note on page 41 of the G.O. The amounts promised by some of the Local Governments and the Native State of Mysore are reported in the newspaper cutting on page 50 of the G.O. The question whether this Government would reconsider their previous decision in the matter is for orders.
