From (Name) J.R. Huggins Esquire, I.C.S.,

(Designation) Collector of Tanjore.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

At the instance of the Correspondent of the Hindu Girls' School at Porayar, I have the honour to submit herewith a draft notification under section 6 of the Land Acquisition Act, for the acquisition of 0.47 acres of land for the construction of a Hindu Girls' school at Porayar.

2. The land is comprised in S.Nos. 111-A/1A1B and 111-A/1A1C, and classed as Natham poramboke. The former belongs to one Narayanaswami Naidu, and the latter to Manikkam Pillai. Narayanaswami Naidu is willing to part with the land, but he demands a high rate of compensation. This will be settled by the land acquiring officer at the time of passing the award. Manikkam Pillai objects to the acquisition on the

FORM OF DRAFT DECLARATION.

2. A plan of the land is kept in the office of the Deputy Director, whom and may be inspected at any time during office hours.

ground that the partial acquisition of his house site would render the remaining portion useless as a house site and suggests that a site belonging to a charitable Institution (called Arupathumvar Mutt) to the west of Narayanaswami Naidu's house may be acquired. The Divisional officer, Mayavaram considers that it is not desirable to acquire the mutt, that the objection raised by the petitioner is frivolous, that it was raised on the impression that he would be paid a low price for his lands and that it may be overruled. I agree with him.

3. The Deputy Collector, Mayavaram, has reported that the houses cannot be purchased by private negotiations. The Correspondent has sent a copy of Government order No. 1529 Home (Education) dated 3rd December 1917, sanctioning with remarks a grant not exceeding one half of the actual expenditure, or Rs.4,750 towards the cost of the building. The Divisional officer, Mayavaram, reports that the school is purely a private one and managed by one M.R.Ry. K.C. Subramania Chettiyar, Bar-at-Law. I presume however that the purpose for which the acquisition is proposed may be taken to be a public purpose, under section 4 of the Act, since Government have been pleased to sanction a grant.

4. The Correspondent will be asked to at once deposit the necessary funds on receipt of orders from Government.

5. A rough sketch of the site proposed for acquisition is submitted.

I have the honour to be,

Sir,

(T) The grant sanctioned in G.O. No. 1529 Rev. 2, 3.12.17 ~~to~~ to the Hindu girls' school, Poraiyar, was for a building. It did not include the cost of the land. Neither the Collector of Tanjore nor the D.P.O. states that any part of that grant will be set apart for payment of compensation for the land, though the mention of the grant by both implies that they consider that the acquisition of land and the construction of the building form one combined scheme and that the grant may be taken as applying to both. Unless the cost of the land is partly met from Provincial funds the draft notification submitted by the Collector cannot be published — please see Sec 6. proviso. of the L.A. Act (I of 1894).

2. In the circumstances it is for consideration whether the notifn. may be published at once or whether the Collector or the D.P.O. may be requested to ascertain and report whether any portion of the grant already sanctioned will be utilized ^{towards} the payment of compensation for the land.

The grant amount half of this (Rs. 215).

It is reported that the site selected
cannot be acquired by private negotiation
(para 3 at page 1 C.7). With reference to
para 1(1) of S.O. no. 1975 Rev. D. 21-8-1919
it might be well to ask the collector whether
it is not possible to acquire by private
treaty some other land equally suitable
for the purpose or slightly less so.
