U.O. No. , dated

To

The Home (801)

Department. With Q. 300.

Local and Municipal (Legislative) Department.

THE HON'BLE RAO BAHADUR T. BALAJI RAO NAYUDU.

Home (Education) Department.

Q.300/ Will the Government be pleased to institute enquiries how far Rule 102 of the Madras Educational Rules has been given effect to in the matter of levying half the standard rates of fee in elementary, secondary and high schools, from the backward classes and castes by calling for comparative statements of the total numbers allowed half free before and after the passing of the said rule and Government Orders on the subject?

Home (Edn) Dept

Attention is solicited to the DDO's letter printed in G.O. 1421 Est of the 30-5-08 from which it will be seen that the concession of half fee to pupils of the backward classes was allowed as far back as 1892. The list of backward classes had been added to from time to time and the number ^{now} included in the list is pretty large. It is doubtful whether the particulars asked for by the Addl. Member will be available in many institutions. Besides they cannot be collected without much trouble. It may also be

Box 46

be pointed out that rule 102 does not apply to elementary schools. The following draft answer is submitted for approval:-

- " The concession in question was sanctioned as far back as 1892 and
- " the list of backward classes has also been added to from time to time.
- " Accurate figures will not now be available.
- " The Govt. do not think that any useful purpose will be served by instituting
- " the enquiry suggested by the Hon'ble Member

I suggest the following:-

'A half-fee concession to pupils of the backward classes has been in existence since 1892. The

records required for the compilation of the comparative statement required are not in existence.

that the concession of half-fee to pupils of the backward classes was allowed as far back as 1892. The

list of backward classes has been added to from time to time.

The draft answer suggested by the Secy above is for approval
