Sir,

(A) *Home (his)*
With reference to G.O.No.861 dated 2nd May 1919, sanctioning
the the publication of a 3rd Volume of the Flora of the Nilgiri and
Pulney Hill tops, I have the honour to say that I proceeded to
Coonoor to work out the plants there, and found that there were
many with which I was in imperfectly acquainted or which were
quite new to me; but which should clearly be included in the new
volume. This meant collecting a good many plants, and I soon found
that the work of pressing and preserving the plants would take up
more time than I could give to it. I found also that there were
many which would be useful in college work and which are unobtain-
able in Madras. It seemed therefore desirable to have an Attender
from the college to collect and preserve the plants. In 1913 Govt.
(in G.O. 456 Misc of May 19-1913 Ref. of D.P.I. 2637 of April 4- 1913)
allowed me the use of an Attender and the Herbarium Keeper for an
exactly similar purpose. They permitted them to draw travelling and
halting allowance and exempted them from the provision of Act.
1055 of the C.S.R. In view of the changing season, the monsoon
being imminent, so that plants were going out of flower and dropping
their seeds, there was clearly no time to be lost. In anticipation
thereof, sanction I sent for the Attender and informed the Principal
that I was doing so.

The Attender collected 175 different kinds of plants and
of every kind several specimens; of some kind many specimens. Some
were, as I said above, new to me and to the College Herbarium:
the kinds of which many specimens were collected were then suitable
for class work.

For I find it necessary to replenish every year my stock of plants for class work.

The Attender was not employed at any time in anything but this work of collecting and preserving plants for the College use.

Under these circumstances, I have the honour to apply for permission to the Attender to draw travelling and halting allowances and that he be exempt from the provisions of C.S.R. 1056 as on the previous occasion. The total would amount to Rs. 30/4/-

I have the honour to be

Sir,

Your most obedient servant,

Notice of the AG and he may be asked whether he still adheres to his opinion that daily allowance can be sanctioned only for the first thirty days of the attendant's stay on the hills. It may also be pointed out that the attendant did not accompany an officer on tour but was directed to proceed to Coimbatore for the performance of a special work. In his note of 3-15, the AG (Mr Datta) stated that art 1114 and the note thereunder applied more to officers on tour.

Accountant General (110)

The second sentence of Note to Article 1114 of the Civil Service Regulations is a new rule, which introduced a change in the previous practice. As the rules stand at present, I am afraid the Madras Government is not competent to sanction daily allowance for more than 30 days for halts at hill stations. The new rule was introduced in the 1st Reprint of the 5th Edition of the Civil Service Regulations, and though this is dated the 15th January 1915, copies were not received in this office till June 1915.
