[Despatch Abstract.]

Government of India Scholarship.-

Forwarding to the Educational Adviser for Indian Students to the Secretary of State for India a copy of the application of Mr. H. Parameswaran for the _____ together with copies of his testimonials.

INDIA OFFICE.

WHITEHALL.

LONDON.

S.W.1.

October 9th, 1919.

1 With reference to your letters No. 563 dated the 7th May, 1919, and 877 dated the 15th July, 1919, I beg to point out that although Mr. Parameswaran was selected by the University of Madras for a Government of India Scholarship so long ago as May last, I have not as yet received from you the necessary papers in regard to his educational qualifications, etc. Mr. Parameswaran informs me that copies of all his testimonials, together with a statement of the ^{course} ~~cost~~ of study which he proposes to follow in this country were forwarded to the Government of Madras with his application for the Scholarship, and these papers should have been transmitted to me as soon as he had been selected for the Scholarship.

2 We have succeeded in securing Mr. Parameswaran's admission to Christ's College, Cambridge, where he will continue his work under the direction of the Professor of Experimental Physics at the Cavendish Laboratory, but I would venture to point out that Cambridge Colleges are generally unwilling to admit Indian students, even though they are holders of Government Scholarships, until they are in receipt of full papers and testimonials about them, and that the failure to supply me with these papers in the case of Mr. Parameswaran might well have resulted in his being unable to secure admission to the University of Cambridge this session.

3 I would ask that in future the necessary papers about Government scholars from Madras should be forwarded to me as soon as possible after the scholar in question has been selected.

Yours very truly,

T. W. Arnold.

The Secretary to the
Government of Madras.

SENATE HOUSE, 13 NOV 1919

FROM

FRANCIS DEWSBURY, ESQ., B.A., LL.B.

Registrar, University of Madras,

TO

The Secretary to Government,

Home (Education) Department.

Sir,

With reference to Memorandum No. 2471.A-1 dated 6th November 1919, I have the honour to forward herewith a copy of application dated March 11, 1919, from Mr. H. Parameswaran for the Government of India State Scholarship, and also copies of the ten testimonials submitted by him with his application.

As Mr. H. Parameswaran left India early in August and presumably took with him the originals of his certificates and testimonials in accordance with Rule (vi) of Appendix II to the Resolution of the Government of India, Department of Education (Education), No. 399, dated 1st May 1916, which had been brought to his notice, it was understood in this office that G.O. No. 1180, Home (Education) dated 29th September 1919 could not apply to his case. However, the requirements of that G.O. have been noted for future guidance, and the Government will in future be furnished with copies of the documents submitted by selected candidates with their applications for State Scholarship.

I have the honour to be,
Sir,
Your most obedient servant,

Francis Dewsbury
Registrar.

C no. 2471A

From the India Office 8th October 1919.

Reference is invited to para 2 of G.O. 563 & 7-5-19 in which the attention of Mr. Parameswaran was drawn to the rules at pp 4-15 of G.O. 490 & 12-4-19. Under clause (vi) of the general rules in Appendix II at p. 4. of the ^{letter} above G.O., Mr. Parameswaran should, when proceeding to England have taken with him the originals of his certificates, testimonials, etc. Apparently he had not done so. His statement that copies of all his testimonials and other papers were forwarded to Govt. with his application for scholarship, is not correct. The only documents forwarded to Govt. by the Regr. of the University were a certificate of nationality signed by the D.M. Induram, an affidavit from the guardian of the scholar, the written consent of the guardian ~~that~~ permitting the scholar to proceed to England and a descriptive roll of the scholar. These are not required under the rules to be forwarded

(A) The India Office. The telegram contained in para 6 of fo 563 of 7-5-19, gives particulars of the course of study which Mr Parameswaran proposed to follow.

(I) 2. It may also be observed that copies of testimonials are not usually forwarded to India office - vide despatch no. 3. at p. 3. of fo. 710 of 29-5-17 regarding University scholar Mr Sangdayan. Specific instructions that testimonials from Professors and others and particulars of the academic qualifications of the scholar and the subject of study he is to pursue in England, should in all cases be forwarded to India office, were received only recently and communicated to the officers concerned.

(F) vide fo. 1180 of 29-8-19 and the notes connected therewith.

3. It is not clear whether, in the present case, Mr Arnold requires the papers connected with Mr. Parameswaran to be forwarded to him. Anyhow the Reg^r of the University may be asked to submit the papers mentioned in para 1 of Mr. Arnold
