G.O. No. 1446, 25th November 1919

University Regulations

Sanctioning an alteration in the — relating to the Diploma in Economics.

READ—the following paper :—

Letter—from F. DEWSBURY, Esq., Registrar, University of Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—Senate House, the 4th November 1919.

No.—7419.

I have the honour, by direction of the Syndicate, to submit, for the sanction of Government, under section 25 (1) of the Indian Universities Act, 1904, the following alteration in Regulation 1 of Chapter XXX relating to the Diploma in Economics adopted by the Senate at its adjourned meeting held on 25th October 1919 :—

Add at the end of the Regulation, the words 'The examiners may declare any candidate to have passed the examination with distinction.'

Regulation 12 for the Diploma in Economics originally read as follows :—

A diploma under the seal of the University shall be delivered at the next Convocation for conferring degrees to each candidate who, in the opinion of the Examiners, is qualified therefor. The Examiners may declare any candidate to have passed the examination with distinction and such distinction shall be recorded in his diploma.

In view of the adoption of the general Regulation 15 of Chapter XVIII when the Regulations were recently revised, the first sentence was rendered unnecessary : by oversight the second sentence was also omitted from the revised Regulations. The proposed alteration therefore merely restores the substance of the original Regulations.

Order—No. 1446, Home (Education), dated 25th November 1919.

Under section 25 (1) of the Indian Universities Act, 1904, the Government sanction the alteration in the University Regulations proposed in the Registrar's letter read above.

Subject.

University Regulation. 223 of B. from the Reg. am. of Madras
7419, d/ 4. 11. 19.

The first regulations for the institution of a diploma in Economics were approved in G.O. No. 505 Ed. 2, d/ 20th April 1918. No. 12 of these regulations provided for the grant of the diploma certificate at the next Convocation & for a second being made therein of any distinction that might be secured by the candidate. When the general revision of the Regulations took place last year, a general regulation providing for the grant of a certificate or diploma for the several degrees instituted by the university was inserted & this rendered specific mention of the 'Economics' Diploma unnecessary, and so regulation 12 with its clause was excised. But the regulations, as they now stand, do not provide for the fact of distinction having been secured at the 'Economics' Degree exam. being recorded in the Diploma. The present addition is to provide for this as per
