R. C. No. 1574 of 1919.

Station Madras, Dated the 28 October 1919

From (Name) The Hon'ble Mr. R. Littlehales, M.A.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME / EDUCATION / Department.

Sir,

In their order No. 1351 Home (Education) dated 29th October 1917 the Government approved a proposal to depute for special training in Drill under the Physical Director and Adviser to Government six gymnastic instructors selected from large educational centres. As a result of this experiment and of the inspection of the various centres in which gymnastic instructors are trained and the schools in which they are employed Mr. Noehren is of opinion that the intensive training of gymnastic instructors should now

be taken up on a larger scale. He says that he can give a six weeks' training to 100 men simultaneously from about the middle of January next. The suggestion seems to me to be sound, but while the simultaneous training of a large body of men makes the work more interesting and instructive and affords opportunities for training in the technique of leadership, I would suggest that the class ~~may~~ be limited to 40 with a view to ensure that none but thoroughly suitable ^{men} are admitted. I therefore recommend the proposal to Government and request that their sanction may be obtained for the deputation of 40 gymnastic instructors to be selected by the Physical Director and Adviser to Government from schools both under public and private management to the training class proposed to be started in January next. I would add that the charges on account of the training of the instructors can be met as laid down in G.O.No.1351 Home (Education) dated 29th October 1917.

2. The Physical Director also proposes the appointment on Rs.50 per mensem of 2 assistants specially trained by him (in addition to the one appointed in G.O.No. 1272 Home (Education) dated 23-9-1918) for the purpose of ^{inspecting} ~~initiating~~ the physical work of schools throughout the Presidency. In supporting this proposal I would point out that the periodical and regular inspection of the work of gymnastic instructors is the natural consequence of the course recommended in para 1 supra and that in the absence of such inspection the instructors are likely to revert to the unsatisfactory status quo ante. These three assistants may be present at the course to be conducted by Mr. Noehren; they may then hold similar courses in their respective areas and afterwards inspect the physical training work of schools. I therefore recommend that sanction may be accorded to the

3.

employment temporarily for one year from the date of ^{the} commencement of Mr. Noehren's course, of two gymnastic instructors on the salary ^{specified} ~~specified~~ above.

3. Mr. Noehren also requests that a peon may be sanctioned for his office. As I consider a peon essential for his office I recommend that sanction may also be accorded for the employment of a peon on Rs.9 per mensem.

4. I would add that a sum of Rs.1,500 has been provided in the Budget Estimate for 1920-21 in regard to the proposals made in paragraphs 2 and 3 supra. To meet the cost of the proposals in question during the current year, I shall submit a reappropriation statement on receipt of the orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

H. W. Morrison
For Director of Public Instruction.
