The present trustee thereof one Venkatrama Ayyar is willing to part with the land. The actual enjoyment however of the land is said to be in the hands of Ramanuja Ayyangar, trustee of Sri Venugopalaswami Temple. The latter is not able to explain the circumstances under which the land came into their possession, nor is there any documentary evidence in support of the title of the temple (Vishnu) to the land in question. It was however in fact leased out by the trustee of Venugopalaswami Temple to the Wesleyan Mission for 20 years, and renewed in 1893 for a further period of 60 years. The lease has yet 35 years to run. The trustees viz. Ramanuja Ayyangar has signified his consent to part with the land under reference. The Divisional officer, Mannargudi, reports that the question of ownership does not now arise and that it will be settled at the time of award enquiry by the Land acquisition officer.

3. The land being temple property and classed as Inam cannot be purchased by private negotiations. The Principal of the College states that the land under reference is practically the only site available for the extension of the College. The adjoining piece of land (viz. T.S.No. 2765) is already in the possession of the Mission and the present new College buildings are already in course of construction, and while a portion of the new construction stands upon land belonging to the Mission another portion stands on the land now held by them on lease. The acquisition of this site is therefore necessary.

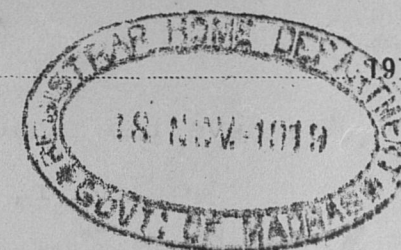

4. Government have been pleased to sanction a grant of Rs.18,630 towards the construction of class rooms for the College Department. Vide Government order No. 416 Home (Education) dated 28th March 1917. The Principal states that the balance will be met from the College funds.
