To

The

Sir,

Secretary to Government, Home and Educational
Department, MADRAS.

I have the honour to communicate a copy of
the resolution passed at a meeting of the Executive
Committee of this Association on the 27th of July 1919

No. 10. Note from the Secretary to request the
Government to sanction adequate grants for Arabic
Makhtabs and colleges and to entertain teachers etc.,
for the advancement of Arabic education.

Resolution:- Sanctioned.

In doing so it will not be out of place
for me to say that on a question raised by one of the
members in the Imperial Legislative Council with
regard to the helping of the Arabic Makhtabs &
colleges by Government by way of granting adequate
sums of money and appointing proper teaching staff,
the matter was referred by Government to a sub-
committee appointed for the purpose. The said sub-
committee which was presided over by Hon'ble Sir
Harcourt Butler, Educational member, sat in the year
1915 to discuss this question and arrived at the
decision

religious, moral, social
and physical improve-
ment of the Muslim
community.

(b) Improvement of
the secular & religious

that it was necessary to make adequate grants and encourage
Arabic education by appointing proper teaching and inspecting
staff and to aid private institutions. This resolution was -
communicated to all the local Governments for necessary action
but it was not carried into effect by the Madras Government.
I request that the Government will be pleased to take up the cause
of Arabic education in the same way as it was done with the Sanskrit
education as the existing Arabic colleges and Madrasahs have
fallen into decay for want of encouragement by Government whose
help it now badly needs.

The Muslims are deeply grieved to witness the decay of
instruction in Arabic and the gradual disappearance of Arabic Madrasahs
for want of due encouragement by Government while the sister -
Sanskrit language is being studiously fostered in the colleges
and schools by way of grants-in-aid and the provision of competent
teaching and inspecting staffs.

It is therefore requested that the claims of Arabic
instruction may be sympathetically considered by the Government and sufficient
encouragement be accorded for instruction in Arabic by providing
the same in colleges and secondary schools in the Presidency by
providing grants-in-aid to private Madrasahs and Madrasahs and by
appointing competent teaching and inspecting staffs for the purpose.

I have the honour to be,
Sir,
Your most obedient servant,
Y. Aedier Baharwan
Secretary.
