No. 617

Station Madras, Dated the 31st October 1919.

From (Name) H. Dodwell, Esqr., M.A.,

(Designation) As. Superintendent, Government
Museum, Madras.

To The
Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to address Government regarding
the Supply of Clothing to the five night watchmen attached
to the menial establishment of the Museum. Military pen-
sioners are invariably appointed to these posts, and as
these men are generally past middle age, I am of opinion
that in the interests of efficiency, they should be supplied
with clothing. Their work involves exposure which they
say,--I believe with truth--they much feel in the cold and
rainy season. They have to go round the whole compound,
checking six different blocks and pricking four tell-tale
clocks. I would recommend that a pair of Khaki coats may
be supplied to each every two years. Though blankets

would be more suitable in themselves, the men cannot conveniently use blankets, as they have to carry other things, such as umbrellas or sticks, and a lantern.

I have accordingly the honour to request that Government will be pleased to sanction the supply of five pairs of Khaki coats every two years for the use of the five men, with effect from the 1st. January next.

I have the honour to be,
Sir,
Your most obedient servant,

H. D. D. well

Sir,

Clothing - Government Museum - Night Watchmen- supply-
Home (Educational) Department.

Endorsement No. 2171-B-1 dated 8-11-1919.

Except the day and night watchmen employed for the plantations on the Marina and in Chepauk Park, no watchmen on the menial establishment of any offices in Madras are now supplied with clothing. (There seem to be no special reasons for an exception in this case, which if made would form an inconvenient precedent. I do not support the application.

I have the honour to be,
Sir,

Your most obedient servant,

A. C. S. S.
