From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) Director of Public Instruction,

Madras

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

With reference to G.O. No. 1097 Home (Education) dated 10th September 1919, I have the honour to state that the permission granted therein could not be availed of by the Superintendent, School of Engineering, Vizagapatam, as it was learnt that both the Colleges at Sibpur and Roorkee would be closed during the Michaelmas holidays. He now proposes to make this tour before the Christmas holidays and to visit, in addition to Sibpur and Roorkee, the Workshops-cum-schools around Sibpur, the Technical College, Lucknow and the Engineering School, Bankipore. The whole tour will not last more than 10 days, vide his letter R.C. No. 97/19 dated 20th October 1919 copy enclosed.

I recommend that the necessary permission may be given.

I have the honour to be,

S i r,

Your most obedient servant,

Copy of letter from the Superintendent, School of Engineering, Vizagapatam R.C.No. 97/19 dated 20th October 1919 to the Director of Public Instruction, Madras.

"With reference to your Proceedings R.C.No. 6483/19 dated 15th October 1919, I have the honour to submit the following proposals for favour of your approval.

2. The tour ^{to} of Sibpur and Roorkee will be made immediately before the Christmas holidays, that is, during the period when the ordinary class work is suspended for holding the term test examinations. Not only is this about the only time I can get away without considerable interference with the work of the school, but this will also allow of my being absent for a minimum working period as I can utilize a part of the Christmas holidays for my return journey, if necessary.

3. My intention is, if time permits, to visit the work-shops-cum-schools around Sibpur (Kanchrapara, Lilloah and Jamalpur) which, in the new scheme, now under the consideration of the Government of Bengal, are to act as feeders to Sibpur College. In connection with my visit to Roorkee I wish to see the Technical College, Lucknow, which, I understand, receives students from Roorkee for the latter part of their mechanical course. Lucknow is, of course, on the way to Roorkee, as is Bankipur (Patna) Engineering School, which I also want to see if time permits.

4. The group connected with Sibpur are all not far from Calcutta, and each entails only a short journey, while the others are on the way to Roorkee; hence I am of opinion that I can get through the inspections in ten days. I must complete them -- before the institutions close for Christmas I would therefore need to leave here on or about the 12th December 1919.

5. I hope to be able, as the result of my tour, to submit

a report which may be of use to you in deciding on future developments!
