The Hon'ble Mr. V. Madhava Raja.

HOME (EDUCATION) DEPARTMENT.

Q. 342. In view of the fact that the number of trained teachers in elementary schools is at present only a third of the total strength, and that the number of those that pass out from the training schools is not sufficient to meet the increasing demand, will the Government be pleased to ~~sanction~~ sanction the attaching of training classes to a few select board or aided high schools?

P.T.O.

Home (Education) Department

The Government have sanctioned the attaching of secondary training classes to a few aided institutions e.g the Pitapur Rajah's college, Cocanada, the Noble College, Masulipatam and the High school, Ambasamudram and the full cost of the training classes is met by Government. The Government have also sanctioned the payment of special grants to the C.M.S mission, Bezwada and the American Mission, Panumalai to enable them to open training classes for Panchamas. So far, the Government have not sanctioned the attaching of training institutions to Board high schools.

2. It will be seen from the notes in G.O. No.1105, dated 12-9-19 that the Govt. are not in favour of allowing local bodies to open and maintain training institutions. There will perhaps be no objection to the attaching of training classes to schools under the management of local bodies, provided the control of the classes in question rests with the department and not with the local body.

3. Recently the President, Palghat Taluk Board, requested permission to open training classes in institutions under the ^{Board's} control. The file has been referred u.o. to the D.P.I.

4. ~~The following draft is being~~

I suggest the following draft reply:-

'Training classes for secondary school teachers are already attached to some aided High Schools and Colleges. Government are not prepared to attach to High Schools training classes for elementary school teachers.'
