Through
The Officer Commanding,
Overseas Training School,
S a i d a p e t.

And
The Adjutant General,
S i m l a.

Sir,

In consideration of the inevitable demobilisation of this School and my consequent non-employment thereafter, I venture to submit this application for favour of exempting me from undergoing the training required under the Educational Rules to hold the Head Master's post in a Secondary School and to teach the VI Form Class.

2. Besides having put in 28 years service under Government in the Civil Department as clerk, Accountant etc., as shown in Schedule "A" annexed, I have had over a year's experience in teaching in this School where, the students recruited are ordinarily those who have passed the School Final Examination, or read up to that Standard. That studious habit has not also left me will be apparent by a kind perusal of the sequence of years in Schedule "B" which shows the several examinations passed. I am therefore confident that if the exemption is granted, I can do justice to a Head-Master's work, both Office and tuition. I beg to draw your attention to the fact that two Officers (Captain A.C. Miller and Lt. W.G. Frazer) who belong to the I.E.S. have certified to my capacity in teaching, vide Schedule "C" annexed.

3. Though I have passed only the F.A. Examination, my vast clerical service has afforded me opportunities to improve my English above that standard; and though my

vernacular is Telugu, my knowledge of which is considerably improved by long stay in Kurnool and Vizagapatam Districts in the Land Revenue and Forest Departments, my knowledge in Tamil is not negligible as I was born and educated from beginning to end in Madras.

4. May I also submit that I have now put in over one year's War Service of the kind referred to in announcement 1(C)ii of the Government of India Rules for preferential treatment published in the "Hindu" of the 18th instant and request that a preferential consideration be shown to me on this ground also.

5. My salary in this School is Rs.110- and I draw besides Rs.50/- as pension. Copies of testimonials other than those mentioned above are given in Schedule "B".

I beg to remain,

Sir,

Your most obedient servant,

SCHEDULE "C".

Overseas Training School,
Saidapet, 15th July 1913.

I have known Mr. Rajagopal Naidu for some eight or ten months, during which time he has been working in this School as Tutor. I have formed a very favourable opinion of his attainments and his capacity for teaching and his regularity has been extremely commendable.

He has had practically 25 years Government service, 2½ as clerk, 8 as an Accountant, 4½ as Revenue Inspector, 2 as Head Accountant and Treasurer, 6 months as Dy. Tahsildar and Sub-Magistrate. These posts were in the Revenue Department and later he was 1½ years as Head Clerk in the Forest Department and 8½ years as Head Accountant in the same Department.

This long period of service argues a very thorough knowledge of working of offices and Mr. Rajagopal has obviously acquired that knowledge.

He is also full of activity still and is perfectly able to work. I can strongly recommend him for any position of trust in an Office and I hope, when his present work comes to an end, that he will be able to obtain further employment.
