To

The Superintending Engineer,

VII Circle, Madras.

(Through the Proper channel)

Sir,

I beg to state that I was appointed in July 1904 as a Typist and have been working in that capacity ever since.

3. I was favourably recommended to the Chief Engineer, P.W.D. on two occasions for exemption from Examination Rules for a clerk's place, once in 1913 and subsequently in 1916, but the recommendation was not sent up to the Government for the reason that passed candidates were available for clerical appointments. Vide his Memorandum Nos. 3304 C dated 14-4-1913 and 6774 C dated 17-10-1916.

4. The Government have recently in their order No. 654 Financial dated 6-9-1919 bearing P.W.D. Endorsement No. 6329 C dated 26-2-19 ordered that exemptions from Examination Rules may be granted to Typewriting clerks in special cases. This order has removed the universal restriction that was till then placed in the matter of appointment of typists as clerks of the P.W.D.

4. I may be permitted to state that I have acted in the Cauvery Division as a clerk for about one year and 4 months in 1917 and 1918 and that my case has already been specially recommended by the officers under whom I have served. Copies of the endorsements are herein submitted.

I beg also to invite a reference to letter No. 1792 S.E. dated 16-3-1913 of Mr. J.M. Lacey, then Executive Engineer, Vennar Division, recommending my case for special consideration.

5. I have had a fairly long service of about 15 years in the various divisions of the Circle, and I am conversant with the routine work and procedure of the P.W.D.

6. In view of the above facts and the recommendations of the officers under whom I have served, I beg to request that you will be good enough to move the Government in the matter.

I beg to remain,

Sir,

Your most obedient servant,

Manganatha Row

Submitted to the Chief Engineer, Public Works Department, with a strong recommendation that he may be exempted for a clerk's place on Rs. 30/- He has been reported to be fit for a Sub Division Clerk's place.

2. Typing work has affected his health badly and is uncongenial to his constitution. Unless his request is granted, he will have to retire prematurely.

2. Copy of letter from J.M. Lacey Esq., Executive Engineer Vennar Division, to the Superintending Engineer, VII Circle, No. 1793 S.E. dated 10-3-1913.

With reference to your No. 93 V.R. dated 26-2-1913, I have the honour to inform you that in consideration of the following circumstances my recommendation of Typist T.V. Ranganatha Row for exemption from Examination rules for appointment to clerical grade of the Circle, was based.

1. That he is acquainted with the several branches of the clerical work i.e. he is able to maintain Receipt and Despatch Registers and is at times of great help to the Record clerk.
2. That he is able to draft letters.
3. He is capable of holding a Sub Division head-clerk's place.
4. That he possesses a fair knowledge of the Compulsory and the Optional subjects that are now required for appointment to clerical grade according to the School Leaving certificates.

5. I therefore request that you may be pleased to address Government on the matter as his case is a deserving one.

4

Endorsement on petition of T.V.Ranganatha Row, Typist, dated
23-9-1916 S.E. requesting exemption from Examination Rules to hold
a clerk's place.

No.1380 S.E.dated 23-9-16.

Forwarded to the Superintending Engineer, VII Circle, for
favourable consideration. The clerk is very weak in health now
and he feels that his health will fail unless he gets a change of
work. I strongly recommend that his request may be granted. He
is quite competent to do a clerk's work in the office.
