To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I am directed to forward for the orders of His Excellency the Governor in Council, a memorial dated 16th July 1919, from K.Krishna Rao, a clerk on Rs.20 in the District Munsif's Court, Tanjore, for permanent exemption from the Examination Rules, so as to enable him to get gradual promotion in the Judicial Department.

2. Copies of letters No.14657, dated 26th October 1919 from the District Judge, Tanjore, forwarding the memorial, and No.nil, dated 17th July 1919 from the District Munsif, Tanjore are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Registrar.

Copy of letter No.14657, dated 26th October 1919, from the District Judge, Tanjore, to the Registrar, High Court, Madras.

I have the honour to recommend the application of R. Krishna Rao a clerk of the District Munsif's Court of Tanjore on Rs.20 for permanent exemption from the Examination Rules prescribed in Article 1 of the Public Service Notification up to the limit of Rs.35/-.

R. Krishna Rao has studied up to the Matriculation class and has passed the typewriting test (Elementary grade) and the Shorthand test (Intermediate grade). He has put in 5 years' service as a clerk in the Judicial department. He was employed as a shorthand writer in the District Munsif's Court, Tanjore and was getting a local allowance of Rs.20 per mensem while Mr.K.S.Venkatachala Ayyar presided over it. He continues to be a clerk in that Court but Mr.P.R.Govinda Rao the present District Munsif of Tanjore has not been empowered to pronounce judgments by dictation to a shorthand writer and consequently he gets nothing more than his pay of Rs.20 at present. Though he is now one of the senior men in the Rs.20 grade he could not be promoted to the next higher post as he has not passed the Matriculation Examination.

The District Munsif of Tanjore reports that R.Krishna Rao has a sound knowledge of English, is quick and accurate in taking down judgments dictated to him and is as capable as any other passed clerk and that it will be a hardship if he is debarred from any promotion vide copy of the District Munsif's letter enclosed.

The clerk's case is an exceptional one. He can hope to get an allowance of Rs.20 only when a Munsif of the 1st grade or 2nd grade presides over the Tanjore District Munsif's Court. At other times he has to be without it.

3

I consider it a hardship that the clerk who has qualified himself in shorthand to receive an allowance of Rs.20 and who has been actually drawing the allowance for a number of years should lose the allowance through no fault of his but by a change in the personnel of the District Munsif. The clerk deserves some compensation and I request that the High Court will be pleased to recommend the case of R. Krishna Rao for permanent exemption from the provisions of Article 1 of the Public Service Notification up to the limit of Rs.35.

Copy of letter No. nil, dated 17th July 1919, from the District Munsif, Tanjore, to the District Judge, Tanjore.

In submitting herewith the application of R. Krishna Rao a clerk of this court for exemption from general educational qualifications for getting promotion in this department, I have the honour to state that the applicant has been employed in this court as a clerk for the past 2½ years, that he has been during the said period doing some work of other in the establishment besides also taking in shorthand judgments dictated to him and reproducing the same in English. I have invariably found him to be very industrious and hardworking as he had often to do work out of office hours also, namely, in the morning as well as during night time and he has been doing all the duties entrusted to him to my entire satisfaction. He is a very fast writer and his handwriting is also good. He has also been taking very quickly in shorthand the judgments dictated to him and reproducing the same in English accurately so much so that he has also a sound

knowledge in English. On the whole, I should think that he possesses, the same if not more, capacity and capability for work as any other clerk who has passed the Matriculation or S.S.L.C. Examination. Under the circumstances, it will really be a great hardship if he is debarred from further promotion simply because he has not obtained either of those certificates.

2. I would therefore recommend that the District Court may be pleased to address the High Court to exempt him from possessing educational qualifications for promotion in this department say up to Rs.35 being the pay of the 2nd clerk in a Munsif's Court.

Through The District Munsif,
Tanjore.

Most Honoured Sir,

I humbly beg to bring to Your Honour's kind notice that I am a permanent clerk on Rs.20 since 1914 and also a shorthand-writer in the District Munsif's Court, Tanjore, since February 1917.

2. I humbly beg to state that I have studied up to the matriculation class and have passed Shorthand (Intermediate Grade) and Typewriting (Elementary).

3. During my service I have been entrusted with one branch of work or other besides also the work of taking in shorthand judgments dictated to me and reproducing the same in English and I have been doing all the work entrusted to me correctly, quickly and to the entire satisfaction of my official superiors.

18/7/19
4. Thus, I have also been just like other clerks who are qualified for promotion doing one branch of work or other in this and other Courts. My co-clerks who are doing the same work as myself are getting their promotions in the usual course. Although I have not passed the Matriculation Examination I possess sound knowledge in English which is evinced by the fact that I have been recording judgments to dictation in shorthand and reproducing the same correctly. So, I submit that it is but a bare act of charity and justice to allow me to get promotions as the other ordinary clerks who are mere Matriculates or School-Finalists, by exempting me from general educational qualifications in view of (1) my having passed the Technical Examinations, viz., Intermediate Grade in Shorthand and Typewriting (Elementary Grade), and (2) the fact that I have been doing the duties of a clerk as satisfactorily as any other clerk possessing educational qualifications.

The clerk has put in only five years' service. The only ground on which the recommendation for exemption is based is that owing to the fact that the court he is ~~now~~ employed in is just now presided over by a Dist. Munsif who is not empowered to dictate his judgments to a short-hand writer and as such cannot make use of the 'short-hands' qualification of the clerk. It is ^{said} ~~that~~ that previous Munsifs could make use of his services as short-hand writer & this was securing him a special allowance ^(as per Munsif) and with the change of personnel in the ~~proceedings~~ District Munsif this allowance has for the time being been withheld. It seems that a case for ^(permanent) exemption is rather weak. Judd: may be requested to offer its remarks.
