Most Honoured Sir..

I humbly and most respectfully beg to bring the following few lines for your honour's kind consideration and favourable disposal.

I was entertained in the Department as a Temporary Clerk on Rs. 15/- in the year 1904 for the first time and worked as such till 5-3-1906 when I was offered a Sub-Pro-Tem footing on Rs. 15-1-20 Grade (V Class 1st Grade). During the period I was working as a Temporary Clerk and struggling to secure a permanent footing in the Department, I practiced Type-Writing and went up for the Examination. I came out successful and as there was then a vacancy of a Type-Writing Clerk I was offered the same since I would be useful as a Typist as well as a clerk with the experience I gained in the Department and with the satisfaction I gave to my superiors in my duties as a Clerk. As a Clerk I was entrusted with multifarious duties and gained good experience in every Branch of the work and even up till now I am pronounced to be one of the best Clerks as can be evidenced from the reports of several Officers attached to my petition dated 19-2-1919. With a view however to better my prospects in the Typist Branch, as I had no other alternative being unpassed man and as the then Rules did not permit I ventured to acquire higher proficiency of the test but owing to my naturally longer inclination and keen interest towards the other duties of a Clerk I proved myself to be a failure in the further advancement of that art. While the matters were such, I found that several of my juniors in the clerical branch had recently the fortune of securing permanent posts up to Rs. 30/- in view of getting Exemptions from Examination Rules but to my misfortune I am destined to remain on Rs. 25/- post only as a Typist after a long experience of nearly 15 years service both temporary and permanent. Since I have been practically working as a Clerk and discharging the same duties to the satisfaction of my superiors in addition to my own, I applied for a transfer of my services to the clerical branch

which was strongly recommended by the then Executive Engineer Mr. Arogyaswami Mudaliyar Avl., in his kind Endorsement No. 1155 S., dated 19-2-1919 which I beg to reproduce in the margin for the sake of ready reference. To my misfortune, however, this did not meet

Forwarded. The applicant is one of the best Clerks in my Office-intelligent, hard-working and very quick in his work. He was for a long time doing all the work practically of the Head Clerk. He is a very deserving man and I therefore recommend his application strongly.

entirely believing that I am destined to suffer in these famine days and trusting in God for an opportunity in the near future. Shortly after the above, the Typists submitted Memorials to Government praying for a higher rate of pay to start with etc. and the Government in their Order No. 654 Financial., dated 6-9-1919 communicated with P.W.D. Memo No. 6299 C., dated 26-9-1919 were pleased graciously to express their benevolent intention that deserving men in the class of Typists might be recommended for transfer to the clerical Branch and permanent Exemptions from Examination Rules obtained. As my case is one of those selected few, I humbly pray that your most gracious honour will be kind enough to lay my case before the benign Government and obtain their kind sanction to transfer me to the clerical line and grant me Exemption which has been of late kindly sanctioned to several of my fellow unpassed Clerks in this and other Circles. For which a of kindness I shall as in duty bound ever pray.

I most humbly beg to remain,
Most Honoured Sir,

Servant.

Applications for permanent exemptions of typewriting clerks from general educational qualifications have not hitherto been recommended

by this dept. for the reasons (1) that as typists, the men have scope for advancement, (2) that if the exemption is granted in one case, there would be similar requests from other offices and (3) that it would be hard on the clerical staff if a typist (after being exempted from the examination rules) is to be brought into the clerical cadre. As a result of the memorials from the typists
