From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

In submitting herewith the letter dated 13th July 1918 of the Correspondent, Mary Maharani Elementary School, Nadukavery, Tanjore District, in connection with the acquisition of certain land for the school, I have the honour to state that the school is managed by a committee of respectable men who are prepared to register themselves under Act XXI of 1860 and that the proposed acquisition is recommended by the inspecting officers. As the plot proposed for acquisition belongs to a number of mirasdars each having a small fraction of a share, it is reported that it is not possible to acquire it without the machinery of the Land Acquisition Act. In

In these circumstances, I recommend that the plot in question may be acquired under the Act and that a grant equal to one-half of the cost of acquisition may also be sanctioned.

2. A sketch plan showing the land proposed to be acquired is also enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Application for Acquisition of land for the "Mary Maharani" Elementary School at Nadukaveri, Tanjore District.

Honoured Sir,

I request your honour will be so good as to acquire for the said school the plot of land mentioned hereunder for accommodating classes and to be used as play ground.

2. Necessity for extension has been pointed out by the the Sub Assistant Inspector of Schools, Tanjore (West) Range, in his last inspection report dated 1st March 1918 wherein he says:-

"As the main Mantapam is an old building with roof not high enough to admit more light and ventilation, and as it is quite close to the public and busy road, I think, the school committee may, as well, manage to erect another solid block of building close to the river bund. Perhaps this land has to be acquired for the purpose. As I hope and wish that the present baby institution may develop into a still bigger institution, the main lowly roofed mantapam may be utilised for the opening of a good library and museum * * * * * Efforts may be made to secure a good play ground and a plot of land for a garden. Two latrines, one for

boys and one for girls are also found essentially necessary."

3. In this connection, I beg permission to state that the school has been managed from November 1914 by a committee of the following seven members who are mirasidars of the village:-

- (1) M.R.Ry., V. Ramachandra Ayyar Avl., B.A., B.L., High Court Vakil (President.)
 - (2) ... N.S. Venkataramana Ayyar Avl., B.A., B.L., High Court Vakil, (Secretary and Correspondent)
 - (3) ... N.R. Subhranania Ayyar Avl., (Local Secretary and Treasurer)
 - (4) ... R. Subbanna Ayyar Avl., (Auditor)
 - (5) ... R. Narayanaswami Ayyar
 - (6) ... S. Singaravelu Nadar Avl.,
 - (7) ... G. Shunmugavelu Pillai Avl.
- } Members.

The school has been visited and endorsed as doing efficient work among others by:-

- (1) R.B. Wood Esq., I.C.S., late Collector of Tanjore.
- (2) M.R.Ry., Rao Bahadur A.V. Ramalinga Ayyar Avl., B.A., B.C.E., Superintending Engineer, VIIIth Circle, Madras.
- (3) R.F.P. Dawson Esquire, District Superintendent of Police.

4. The plot of ground proposed to be acquired is to the east of the school house and adjoins the same measuring 100 ft. long east to ~~the~~ west and bounded on the north by the P.W.D. river bank, and on the south by the road. The north to south measurement varies from 50 to 60 feet and the land proposed to be acquired would come to about 12 cents. It belongs to several mirasidars of the village; a few huts have been raised by the lessees under them.

5. In conclusion, I pray your honour will confer upon the children of the institution, this boon which will conduce to their happiness and make them ever feel grateful to their benefactor.

The Collector was applied to in the first instance to have the said land acquired for the school. In his endorsement No. 1427/E., dated 28th June 1918 the Collector has pointed out that the Government should be moved in the first instance through the Director of Public

Instruction. Accordingly this application is now submitted to this office for favour of necessary sanction. The application to the Collector with his endorsement thereon is also herewith submitted.
