The Hon'ble Mr. B. Venkatapati Raju.

Q. 274. Will the Government be pleased to state whether it is not necessary

(a) to insist on all the educational institutions which receive Government grant to open the Provident Fund scheme for the teachers?

(b) to encourage the institutions to give free scholarships to the members of the depressed classes on a wider scale by the Government - offering to give special grants to recoup the loss incurred thereby?

Home (Education) Dept.

Clause (a). The Govt. of India have communicated a copy of the revised scheme of Provident Fund for teachers in non-pensionable service and the D.P.I. has been asked to submit his recommendations as to the classes of institutions and teachers to whom the scheme in question should be made compulsorily applicable. The Additional Member may be informed that the question is under consideration.

2. Clause (b). (i) In elementary schools under public management pupils of the depressed classes are admitted without payment of fees. The levy of fees in aided elementary schools is left to the option of the management,

(ii) In secondary schools and colleges, pupils of the backward classes who are poor are required to pay fees only at half the standard rates (rule 102 of the Madras Educational Rules). In order to induce managers of aided institutions

to grant similar concessions to pupils studying in their institutions, the Government have undertaken to reimburse the management one-half of the fee income foregone. The Additional Member suggests that managers of aided institutions should be induced by means of special grants to grant free scholarships on a larger scale to the pupils of the depressed classes. Attention is solicited to para 7(1) of G.O., No. 112 Home (Edn.) dated 25-1-19. The D.P.I. has not yet submitted the report called for therein.

3. The following draft answer is submitted for approval:-

- (a) The question is under consideration.
- (b) The Government are already reimbursing managers of aided institutions one-half of the fee income foregone by them under rule 102 of the Madras Educational Rules. The ^{general} question of the grant of scholarships or fee concessions to pupils in secondary schools is under consideration."
