Note by the Secretary.

I have the honour to state that ac
G.O.No. 1410 Educational dated 13-12-1915,

of Rs. 672 was granted from the Imperial gr
improve the scale of the 1st grade Elementary
school, Nellore, under the municipal managemen
sanctioned scale being as follows:—

Scale

Headmaster	25.
1st assistant	20.
2nd "	15.
3rd "	12.
4th "	10.
5th "	10.
Telugu Munshi	10.
Peon.	7.

I beg to submit that the above scale is hard
hardly sufficient for the proper maintenance of the
school which has suffered a good deal as a result of
the insufficiency of the scale owing to the fact that
proper staff is not procurable for the school owing to
the great demand for Muhammadan teachers throughout
and the comparatively inferior nature of the service
(Municipal service being non-pensionable). Hence to

school had to suffer owing to

s, the candidates giving up Municipal non-pen

reference to pensionable posts of other department

consideration of the general backwardness of Mohammedan

special imperial grants are being sanctioned, it is but

reasonable that special scales should be provided for

adan schools. On the other hand I ^{regret} ~~request~~ to point out

the scale of the above Higher Grade Muhammadan Elementary

is situated in the Municipal town of Nellore with a -

medan population of 7000 is much lower than that allowed to

Elementary grade school at Kandukur, a taluk Head quarter,

which is just according to art. No. 82 of Madras Educational Code.

Scale of the Kandukur High Grade Elementary school.

Headmaster.	...	40.
1st assistant.	...	30.
2nd "	...	25.
3rd "	...	20.
4th "	...	15.
5th "	...	12.
6th "	...	12.
7th "	...	12.
Peon	...	8.

A much higher scale of salaries has been allowed to another

Higher Grade Elementary school attached as model section to the -

Nellore Higher Grade Elementary training school in the same -

Municipality, although this scale exceeds the provisions of the Educational Code.

Scale.

Headmaster.	...	50-0-0
1st assistant.	...	40-0-0
2nd "	...	35-0-0
3rd "	...	25-0-0
4th "	...	25-0-0

If the object with which the Mohammedan ~~girls~~ ~~school~~

Elementary school has been raised to the standard of the High

tary school is at all to be ac

let it should be allowed at least

scale provided for the Model section Element

and number of staff being increased as ~~present~~

	Present.	propo
headmaster	25-0-0	50-0-0
1st assistant.	20-0-0	40-0-0
2nd "	15-0-0	30-0-0
3rd "	12-0-0	25-0-0
4th "	10-0-0	20-0-0
5th "	10-0-0	15-0-0
6th "	10-0-0	15-0-0
7th "	-	15-0-0
Telugu Munshi	-	15-0-0
Peon	7-0-0	10-0-0

Thus according to the scale above proposed the cost of the school exceeds by Rs. 126/- per month. This excess expenditure I submit may be met with from the unspent amount of Rs. 30000, imperial educational grant, (vide D.P. for the year 1917-18, page 11, para 11).
