In February last I visited Waltair and the proposed site, and demarcated the ground required, in situ, with the Revenue Divisional Officer. Before the acquisition could be proceeded with the Revenue Divisional Officer was transferred and no record was left in the Collector's office of the exact boundaries of the land

the land which was required. I visited Waltair again ~~this week~~ on the 13th instant and again demarcated the land with the present Revenue Divisional Officer. I also requested the Collector to expedite acquisition proceedings. I suggest the following answer:- The site for the school has been selected and ~~its~~ acquisition ^{is in progress} ~~is being proceeded~~ with. A hostel will be constructed along with the school."
