The Hon'ble Mr. P. Siva Rao.

Home (Education) Department.

Q. 332. Is it the accepted policy of Government to send out young men recruited for the inspectorships to England for purposes of study; will the Government be pleased to state how many have been so sent up; if not, will the Government be pleased to carry out that policy?

Home (Edw) Dept

The additional member apparently refers to the scheme for giving special training to selected members of the Provincial and Subordinate Educational services, details of which are given in the annex to G.O. No 1321 Home (Edw) of 8.12.16. As will be observed from para 2 of the G.O., it was not intended to give effect to the scheme until the financial situation improved.

The following draft answer is submitted for approval:-

(a) The Hon'ble member is referred to G.O. No 1321 Home (Edw) of 8.12.16 which has been placed on the Editors' table.

(b) The scheme has hitherto been held in abeyance owing to war conditions.

(c) The Govt will consider the matter.

As a matter of fact the proposal is not confined to young men or to people recruited

It was also stated therein that the scheme might be withdrawn or modified if such a course appeared desirable in the light of the recommendations of the Public Services Commission. The recommendations of the Commission in regard to Class I in India will be found set out on pages 21 & 22 of notes to G.O. 950 Home (Edw) of 17.7.18. (Y) The views of this Govt are contained in para 3 of letter No 951 Home (Edw) of 17.7.18. (M) No final orders have been passed by the Secretary of State on the Commission's recommendations.

for Inspectors. But Draft answer (a) is all right.

As the recommendations on the P. Service Comm. report have already gone up & orders are expected shortly & as it is expressly stated that the proposal is liable to reconsideration on those orders, I would answer (c) thus

"The Govt will consider the matter after orders of the Secretary of State on the recommendations of the Report of the P. Service Comm. in respect of the Educational Service are received."

U.O. Reply No. 400
13-11-19

I should prefer not to answer any question on "general policy". Miss Kausalya has recently been deputed to Britain and Miss Myers was deputed some time ago and has now returned to India. I suggest the following reply:-

"The attention of the Hon'ble Member is invited to G.O. No. 1321 Home (Education) dated 8-12-18 which has been placed on the editors' table. Two persons have been deputed for training in Britain within recent years."

The above answer has been given provisionally to Legislature. It is however, submitted that the question refers to training of men for Inspectorships. The two ladies deputed already are ~~proposed~~ ^{proposed} to be eventually employed as teachers.
