U.O. No. 2296 dated 24-10-19

To

The Home (Edn.) Department. with Q 120.

The Hon'ble Mr. B. V. Narasimha Ayyar.

Home (Education) Department.

120. Will the Government be pleased to state if in the Coimbatore College newly taken up by Government, in the lower classes such as the Fifth standard, a new principle of moderation has been introduced for the first time this year, as the result of which children that passed their annual examination are - "plucked" and kept back in the same class for absence or poor marks at previous half yearly and quarterly examinations;

if such a principle is not - applied in the other institutions at Coimbatore or in other places - so far as the standards 1 to V are concerned;

if dissatisfaction to parents and the public caused thereby has been communicated to the Government;

and if they will kindly issue directions for the guidance of heads of institutions; to prevent the recurrence of such hardships as far as possible.

Home (Ed. 2) Dept.

The present question is substantially the same as was proposed to be asked by the Honble: Mr. B. V. Narasimha Ayyar for the meeting of the 12th Aug: last. The question was not however asked last because the Honble: member himself withdrew it and because neither question nor resolutions were admitted for that meeting. The following draft answer was, however, suggested by the D. P. G. on that occasion. It may be circulated to A. M. for appl.

Draft answer.

"Promotions in all educational institutions are made by the head of the institution and the Govt. are not prepared to restrict the discretion of the head of an institution or to divest him of his authority in making promotions."

I have nothing to add to the above except to suggest that the following might be added to the draft answer:- 'No dissatisfaction with the promotion made in the Coimbatore college has been communicated to Government except by the father of a boy who was not promoted'.
