Department. *with Q 314.*

Local & Municipal (Legislative)
Department.

The Hon'ble Mr. K. Venkatappayya.

Home (Education) Department.

Q. 314. Will the Govt. be pleased to state whether any technically qualified teachers are employed in girls' schools, at least in the municipal towns, specially for giving instruction in the compulsory subjects of drawing, needle-work and dress-making; and if not, will the Govt. be pleased to make immediate provision for such appointments?

Home (Education) Department.

It is assumed that the term "girls schools" include schools for general education of girls as well as model schools attached to training schools for mistresses. ^{girl schools} These are either elementary or secondary and are managed by (a) private persons or associations, (b) by local bodies, or (c) by ^{the} Govt. The schools under the management of private agencies have for obvious reasons to be excluded. *Probably the Addl Member refers only to girls' schools under public management.*

2. As regards schools under the management of local bodies a copy of the question may be forwarded to the L & M department for ^{furnishing} ~~preparing~~ an answer.

3. There are at present four Govt. secondary schools for girls at Cannanore, Vizagapatam, Masulipatam and Anantapur. As far as information is available, only the school at Vizagapatam contains a special drawing mistress on Rs.40-4-60.^{per m.}

(Sent Separately

of G.O. No. 1082 Dtd 23.9.18. (C)

As regards training schools for mistresses the following are the schools in which drawing mistresses are employed:-

	Drawing Mistresses on pay Rs. p.m.
(1) Secondary and Training school for mistresses, Triplicane.	40-4-60 ✓
(2) Presy. training school for mistresses, Egmore.	40-4-60 ✓
(3) Training school for mistresses, Cuddalore.	40 ✓
(4) -do- Rajahmundry	25-1-30 ✓
(5) Hobart training school for Muhammadan women, Madras.	40-2-50

1. Needlework unit 25 + 5 personal allowance

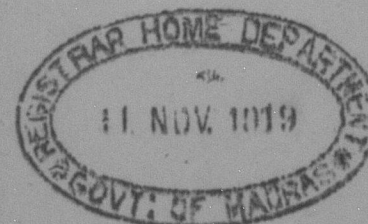

2 - do. - 20

(6) Training school for mistresses, Mangalore. 30

There is no information as to what arrangement is made in these ^{other} schools for teaching drawing or needlework and dress making. Probably the assistants qualified to teach them are detailed on that duty.

4. In elementary schools separate teachers for drawing etc. do not appear to be generally employed. The work appears to be entrusted to the ordinary teachers capable of teaching those subjects.

5. The question may be forwarded to the D.P.I. u.o. for remarks and for suggesting a suitable answer.
