In Memo No 176 of 23-9-19 the D.P.I. has been asked to state when these could be expected. From ~~points~~ items (4) and (6) of the terms of reference to the Salary Committee it would appear that Subordinate Educational Service would also come within the ~~purview~~ ^{purview} of the Committee's enquiry. Final ~~may~~ ^{however be consulted on the point} 3. The file may be sent (two) to D.P.I. for remarks. He may also be requested to suggest a draft answer to the question.

The Committee is not required to, with aid, I understand, make specific proposals for particular establishments. It will be for Govt to say how far it will accept the general proposals of the Committee & call on Hqs of depts to submit detailed schemes for carrying out the accepted proposals.

While the Committee therefore will be glad to receive, ~~and~~ for reference, a copy of any memorial that contains relevant information - verifiable - regarding adequacy or inadequacy of present salaries or any inequalities in salaries now paid for like work in different departments, it has no room at all for memorials that consist of howls for more pay merely because of the rise in prices of recent years. How can the committee undertake to supply answers to particular memorials
