Q160. Will the Government be pleased to lay on the table a statement showing the number of brahmins, non-brahmins, caste-hindus, christians, Muhammadans and others employed in the Office of the Director of the Public Instruction and in the Office of the Commissioner for Government Examinations, Madras, with their respective salaries?

Home (ESN) Dept

Of the two officers mentioned in the question, particulars are available in the quarterly list of officers in the E.S. Dept. Corrected up to 1-7-19, only with regard to the members of the B.P.I. Office excluding recruits. It is not clear whether information in respect of the latter also is required. Moreover, the above list is not up to date as the one for the quarter up to 1-10-19 is still one. If it is considered essential that the statement in question should be placed on the table, the B.P.I. may be requested n.o. to furnish the necessary particulars.

Attention is invited to H.E.'s remarks at p. 8. of the notes to go. 59, L.C. (Exp) & 20-7-17. For orders whether the statement may be embodied in the answer itself.

Though H.E.'s note is in sufficiently general terms, the discussion in the notes was solely with reference to the question whether papers should be placed on the Council Table or Editor's Table. The point, whether Adm. members should be furnished with papers or information individually without their being placed either on E.T. or on the Council table, was not touched on. Are there not any papers or precedents (recent) with ref. to the latter question please?

CA

Subd. that no other orders are traceable. But attention is solicited to A. 45 and the answer thereto ^{put at} relating to the L.C. meeting of the 11th March 1919 in which the Hon. ^{Mr. Ramayya A. Lingay} member asked for a certain report to be placed on the table and the fact replies that a copy of the report would be furnished to him.

In this particular case, Mr. H.M. has allowed communication of the information to H.M. So the information will be published.

There are two grades of publication (1) E.T. (2) Council table by way of answer to a question. We will decide on each occasion what grade to adopt.

2. H.M. raised a question of mere procedure: Once we have decided to give information, is it permissible to give it by private ^{communication} - neglecting the two grades of publication alone referred to? I see no objection. There is precedent. Secondly I argue from Reg office order 156 of 26 Mar 1919 that it is not imperative to embody the information in the answer recorded in the Council proceedings.

The etiquette in such cases is that the information is handed over to the A.H.M. just at the commencement of the meeting if it be available then.

Very well. The answer may stand.
