Statement No. 87 under 'Miscellaneous' in Vol. II of the Public Instruction Report contains details of Govt. scholarships awarded in colleges and schools. It only gives information in regard to the total number of scholarships awarded to boys of the backward classes. ~~in the backward classes~~ Details as regards the number and amount of scholarships awarded to Panchamas, who form only one section of the backward classes, in the various grades, Primary, Middle and Upper Schools are not given in the report. ^(separately) The D.P.I. may be requested to state whether the statement asked for by the Addl. Member can be readily prepared and if so to prepare and furnish one.

2 There is a provision of Rs 30,000 in the current year's budget estimate against 'Colleges General' and of Rs 16,000 against 'Colleges Professional' under "22 # - Education - Scholarships". ~~but~~ no sum has been ^{specifically} set apart for scholarships for Panchamas for Arts and Professional colleges. The answer to this part of the question may be that "no specific sum has been set apart for Panchamas".

Only those scholarships which are tenable in colleges are awarded by the Director of Public Instruction. There is no record in this office of the total number and amount of scholarships awarded to panchama boys. Such information is not readily available. I suggest the following answer:-

'Statements showing details of Government scholarships awarded in educational institutions are contained in Part I of Vol. of the Annual Report on Public Instruction. details is set
