Fort St George Gazette. The requisite funds

funds have also been provided by reappropriating as the Civil Works Budget for 1919-20 contained no provision for the work. — End. No. 131903-1287-19. The P. W. D. have submitted proposals for the Civil Works Budget for 1920-21. The P. W. D. providing funds for the work in the next year's budget. It has been shown to be \$4,600 as the approximate cost of the building, \$2,500 as the probable expenditure in 1919-20 apparently for the acquisition of land and \$2,500 as the demand for 1920-21 for the construction of the building. The work has not yet been administratively approved, nor have estimates been sanctioned. It is not therefore likely that the construction of the building will be taken up this year.

2. The following draft answer is suggested: The construction of the building (in question) will probably not be taken up (during the next year).

3. The file may be forwarded to the P. W. D. for remarks.
