U.O. No. , dated

To

The Home (Govt) Department. with Q 313.

Local and Municipal (Legislative) Department.

THE HON'BLE MR. K. VENKATAPPAYYA

Home (Education) Department.

Q.313. Will the government be pleased to state if any scholarships are offered to outside students seeking instruction in the industrial class attached to the training school for Mistresses at Rajahmundry and if not will the government be pleased to offer scholarships to Indian widows and helpless Indian women to enable them to receive instruction in industrial and technical arts and to make independent living?

Home (Em) Department

The industrial class attached to the Govt. Training School for mistresses at Rajahmundry was opened in 1912 - G.O. No. 72 Ed 2, 30-1-12. In submitting proposals for the opening of the class, among others, the S.P.G. stated as follows:-

- = The instruction in these industrial classes,
- = may at the outset be restricted to the following
- = subjects: Needlework, lace and embroidery work
- = and housemanagement including cookery, and
- = pupils of the third and higher standards in the
- = model school who show a special aptitude
- = for industrial work and all the students in
- = the training section may be required to attend
- = any of the classes for not less than three hours
- = per week. There need not be charged any special
- = fees for instruction in industrial work.

= I would also suggest that native women of good character, whether widows or not, who have completed either the sixth or the seventh standard course in an elementary or secondary school be admitted to these classes without payment of fees, whenever accommodation is available. As it is stated that there is a demand for industrial education among women, any special attraction in the shape of money scholarships seems to be unnecessary for the present."

2. The D.P.'s proposals were approved in G.O. No. 72 Sd. 2, 30.1.12 and no scholarships appear to be offered to outside students. ~~It~~ <sup>Now</sup> does it ~~appear~~ <sup>seem</sup> that any such encouragement for the success of the class is necessary. The H.A.M. is advocating the cause of widows and helpless Indian women who are desirous of joining the class with a view to ~~make~~ <sup>secure</sup> an independent living. ~~Since there is already a demand for such education among this class of women, no special scholarships need be offered.~~ <sup>Since there is already a demand for such education among this class of women, no special scholarships need be offered.</sup> The Hindu and Muhammadan widow scholarship granted by Govt. are not available for the class of pupils referred to by the Addl. Member.

3. The following draft answer is suggested:—

"The pupils attending the industrial class attached to the training school for mistresses at Rajahmundry are exempt from payment of fees for their instruction in industrial work. The Govt. do not consider it necessary to grant any money scholarships to them."

4. The file may be forwarded to the D.P.'s w.o. for remarks, if any. We have no idea of the situation at present. The D.P.'s report was of 12/12.

U.O. Reply No. 399/19, dated 12-18-19

I agree to the above draft reply. I understand, however, that the Department of Industries has granted some scholarships to ~~the~~ pupils who are receiving instruction in the Industrial class attached to the Government Hobart Muhammadan school. I have no official information about these scholarships. The Department of Industries will probably be able to supply it.
