Q.144. Will the Government be pleased to consider the advisability of exempting all panchama boys from payment of fees in all public schools (Municipal & Local-fund schools included) and also in all aided schools, for a certain period of time ~~[in view of the fact that the income derived from this source is very small and that this concession will be an incentive to panchama parents sending their children to schools?]~~

Home (Ed); Dept

Panchama boys are exempt from payment of fees in all elementary schools under public management or secondary schools & colleges under public management. They are, if poor, requested to pay only fees at half the standard rates.

2 In aided schools, the levy of fees is left to the discretion of the management and no compulsion is possible.

3 The concession proposed cannot be granted without unfairness to other backward communities similarly situated. The answer may be —

"We are unable to entertain the suggestion"

I would say:—

[No fees are levied from panchama]

190 Q.—Will the Government be pleased to consider the advisability of exempting all panchama boys from payment of fees in all public schools (municipal and local fund schools included) and also in all aided schools for a certain period of time?

190 A.—No fees are levied from panchama boys in elementary schools under public management and allowance is made in assessing the grant in the case of similar exemptions in aided elementary schools. In other schools a similar policy is adopted. The Government do not at present propose to extend the concession.
