The Hon'ble Khan Bahadur A.T.G.M. Ahmad Tambi Marakkayar

Sahib Bahadur:-

Home (Education) Department.

Q.10. Will the Government be pleased to introduce the free and compulsory Elementary Education Bill as early as possible?

Home (Education) Dept.

The Elementary Education Bill now under the consideration of Govt. provides for the introduction of compulsion in the areas administered by local bodies with the previous sanction of Govt. The Bill does not, however, provide for free education. But before compulsion is introduced, the question of the levy of fees or their abolition will no doubt receive due consideration. The D.P.I. has separately submitted a note on the question of the abolition of fees in elementary schools. The file dealing with it has been sent to L & M and Financial Depts. for remarks.

2. For orders whether the following reply may be given to the Additional Member:-

"The Elementary Education Bill, as at present framed, provides for the introduction of compulsory education by local bodies ^{in the areas under their jurisdiction} with the previous sanction of the Govt. but does not provide for free education. The bill is under revision and, when the final form is settled, the sanction of the Govt. of India will be obtained to its introduction in the local Legislative Council."
