Home (Con) 10/11/17Subject: Employment of Manual
Training Instructors

1444 [Ct. No. 2620A]

p. 3. cf.

From the B.P.D. R.O.C. No. 3135/19 of 6-11-17.
 In paragraph 3 of his letter ^{read above} the
 B.P.D. has proposed the immediate
 employment of 6 manual training
 instructors on Rs 60-4-80 each. p.m.
 for the six centres where buildings
 are complete, and the employment
 of two more instructors on the same
 rate of pay with effect from 1-1-22
 for two other centres where arrange-
 ments for starting work will be
 complete by that time. It is stated
 that the scale proposed, viz. Rs 60-4-80
 is necessary in order to induce
 competent men to take up the work.
 Nothing has been stated as regards
 the qualifications required of these
 instructors. It will be observed from
 G.O. No. 1440 Home (Con) of 16-11-17
 that the pay of the ^{trained} manual training
 instr. appointed to supervise manual
 training in two centres in Madras
 has been fixed at Rs 40-2-50 ^{only}.
 It is not quite clear whether instructors
 with similar qualifications will

nd suffice for these ^{new} centre
Subd. that, in the absence
justification, the D.P.I. may
requested ^(u.o.) to state whether a
of Rs 40-2-50 p.m. ^{will not} ~~may~~ be
^{sufficient} ~~sanctioned~~ for the instructors in
in his present communication.

The qualifications required of these Instr
are as follows:- They must first of all be se
grade trained teachers who have obtained tec
certificates in Drawing. They must then under
training course ^{for} Manual Instructors at the
College, Saidapet, and they must pass the exami
at the end of the course.

I understand from Mr.Porret that some
teachers have been offered considerably more
scale proposed by me, in institutions not under
control, for instance one instructor has been
Rs.100/- per mensem in Hyderabad. Unless then
we are prepared to offer sufficient ^{to} to com
the offers made in the private market we sh
unable to retain any of our best men.

The pay of the Trained Manual Trainin

appointed to supervise Manual Training in two centres in Madras was fixed at Rs.40-2-50 and it ^{is} possible to appoint a second class man since he ^{is} under the immediate supervision of Mr.Porret. The persons who will be Manual Training Instructors in the mufasal must be first class men since they will not be under the immediate supervision of any person acquainted with their work. Mr.Porret's visits will be only occasional. The pay that was recommended for the Instructor in Madras was ^{apparently} in view of the fact that a Muhammadan was necessary since instruction had to be given in the Madrasa-i-Azam and the only Muhammadan available at the time was a second class man.

Mr.Porret is of opinion that it is impossible to obtain any first class Instructors on an initial pay of less than Rs.50 per mensem.

It is possible that first class Instructors may be obtained on a scale of Rs.50-2-70 per mensem. I might suggest to Government that ^{that} the rate of pay be fixed at Rs.50-2-70 but ^{that} this scale be awarded only to men with first class certificates, men with second class certificates remaining on a scale of Rs.40-2-50 as is the case of the person at present employed in Madras.

if it is considered that Rs.40-2-50 is too high

Home (Con) Dept
The modified scale of Rs 50-2-70. p.m. suggested by the S.P. for men with first class certificates may, in the circumstances explained

in his note above, be accepted.

Please see previous Financial notes on pages 3-4 ante and the D.P. 2's note on pages 6-7 ante.

2 The D.P. 2 now proposes a pay of Rs 50. 2. 70 for manual training instructions with 1st Class Certificates and Rs 40. 2. 50 for those who have only second class Certificates against Rs 60. 4. 80 originally proposed by him. The rates now proposed ~~Rs 50. 2. 70~~ ~~Rs 40. 2. 50~~ may perhaps be agreed to. ^{Rs 50. 2. 70} draft order may, it is submitted, be accepted.
