No. 7857/18

Station Madras., Dated the 6.12.1918

From (Name) The Honourable Mr. H. S. Dungan,
 (Designation) As. Director of Public Instruction.

To The Secretary to the Government of Madras,
 Home (Education) Department.
 (Through the Accountant-General).
 Sir,

M.R. T. Krishnamurthi Nayudu, Gymnastic Instructor, Teachers' College, Saidapet, who has put in a service of nearly 32 years in the department, has worked as a Drill and Gymnastic Instructor in two colleges, first in the Medical College, Madras, when it was under the control of the Educational Department and latterly in the Teachers' College, Saidapet. In his present capacity he is imparting instruction in drill and physical exercises to the students under training in the L. T. and Secondary training sections and to the pupils in the model school and is in charge of the candidates admitted for training as Gymnastic Instructors with a view to

2
A
Parab of 96 147 13-31 (K)
qualify themselves for the Teachers' Certificate Examination in Drill and Gymnastics held under Article 163 of the Madras Educational Rules. For his work in the Gymnastic Class he is allowed a fluctuating allowance up to the maximum of Rs. 10/- per mensem paid out of the fees collected from the students, but it is doubtful whether this allowance will reckon for pension. He was in a grade of Rs. 20-2-40 from 1892 up till 1911, when the pay of the post was raised to Rs. 30-2-50, though the Director suggested a pay of Rs. 40-2-60 per mensem.

Having already been in receipt of the maximum pay of Rs. 40 in the former grade the increase ~~was~~ not felt as an adequate reward for the onerous duties of the office, especially as he had to wait for 6 years before attaining the maximum of his present grade, viz., Rs. 50/- which he has been drawing for the past two years. He therefore requests that ~~he~~ ^{he} may be granted either an increase of pay or a suitable personal allowance and his application has the strong support of the acting Principal. In view of the facts set forth above the Principal's proposal for the grant of a personal allowance on account of long and approved service commends itself to me,

Parab of 96 600 27-9-12 (2)
but as he does not satisfy condition Para ii (i) (c) of the rules regarding the grant of compensatory personal allowances referred to in the Resolution of the Government of India, Finance Department, No. 358 E A dated 21st August 1912 published in the Madras Supplement to the Civil Service Regulations, 5th Edition. I have the honour to request that you will be so good as to obtain the sanction of Government for the grant of a "concessional personal allowance" of Rs. 10 per mensem, being 20 per cent of the applicant's pay with reference to Part IV of the rules contained in the Resolution of the Government of India referred to above. Personal allowances of this description are granted ⁱⁿ special cases for particularly meritorious services" only, and I am of opinion that this instructor's work has been of a particularly meritorious character and deserves special treatment. The

4 3
graduate students under training in the Teachers' College are generally teachers of long experience, and in dealing with them and in enforcing discipline, Krishnaramanjulu has been exercising considerable tact and judgment. Every year for the past seven years the Instructor has had to deal with a class of 100 graduates and during this period there has been no friction between him and the students. Further his work has been characterised by the successive Adjutants, M & S.M. Railway Rifles who have examined the students under training in drill and physical exercises at the end of their course as very creditable and highly satisfactory as will be noticed from the extracts from their reports appended hereto. He has a fair command of English, having passed the late Middle School Examination and studied up to the standard of the Matriculation Examination and also knows Tamil, Telugu and Hindustani.

2. Should Government approve the ~~proposal~~ proposal I shall submit the necessary reappropriation statement towards meeting the cost during the current year.

I have the honour to be,

Sir,

Sir,

I have the honour to report that I carried out the
Inspection of the Students of the above College on Friday 8th
instant.

There were 121 students on parade.

I was greatly impressed by the General Turn out of the
College.

I examined the students in all the exercises mentioned
in your letter, and found that all were well acquainted with the
exercises set. The exercises were well performed, and the students
called upon to instruct proved that they knew their work well.

The exercises set were such as should benefit the
mixed composition of the class, being very useful, without being too
strenuous.

The Instructor has adopted a good system of training
and has got the students interested in their work.

I catechised several students regarding the various
muscles of the body, and found them very well informed.

Great keenness was shown. Discipline was good.

I noticed several men over 40 years of age, but they
admitted that they liked the training, and thought that it was bene-
ficial to them.

Sir,

I have the honour to report that in accordance with your letter No. 1038 of 1917 dated 12th February 1917, I inspected the students of the Teachers' College, Saidapet, on the 14th instant in Drill and Physical Exercises.

The various Drill movements were carried out with creditable smartness in view of the large numbers on parade, and the Physical Exercises were also well done. Some of the students who were called out to impart instruction appeared to be well acquainted with the verbal detail of the various exercises.

The performances as a whole reflect great credit on the Instructor who appears to have succeeded in imparting some of his keenness to many of the students.

Sir,

I have the honour to report that in accordance with the

request contained in your No. 1446 dated 21-2-16, I inspected the students of the Teachers' College, Saidapet on the 18th instant, in Drill and Physical Exercises.

The various Drill movements were carried out with creditable smartness in view of the large numbers on parade, and the Physical Exercises were also well done. Some of the students who were called out to impart instruction appeared to be well acquainted with the verbal detail of the various exercises, but were not so successful when called upon to point out mistakes in execution.

Sir,

I have the honour to inform you that I have this day examined in Drill the Normal students of the Teachers' College, Saidapet.

1. The class was a very large one, 119 strong and rather too much for one man to command without assistance, x x x x. I understand however that for instructional purposes the students

are divided into squads and do not all parade together, so that the Instructor is able to give attention to each student personally.

2. Company and squad drill was well and smartly done, but I would suggest that the students should be practised in keeping step without the Instructor giving them the time while all movements are being performed.

3. The Swedish Drill was well and correctly done by the majority of the students and showed that careful attention has been paid to this branch of their physical training.

Grant of a concessional personal allowance of Rs 10 p.m. to T. Krishnaramanujulu Nayudu, Gymnastic Instructor, Teacher's College, Saidapet on Rs 50 p.m. + Rs 10 duty allowance.

(No. 3064 A) From the Director of Pub. Instr., R.C.M.

1859/18 dated 6th Dec. 1918.

End of the Act. No. Chm 1/18041 of 13/4 Dec. 1918

Regr.

T. Krishnaramanujulu Nayudu, Gymnastic Instructor, Teacher's College, Saidapet has put in 32 years' service under a Govt. ~~Since 1886~~ 1911 he was on the grade of Rs 20-2-40. In 1911 the staff of the Teacher's College was reorganised and the pay of the Gymnastic Instructor fixed at Rs 30-2-50 - please see para 6 of G.O. No. 47 Eol of 3 Mar. 1911. ~~Then~~ Mr. Krishnaramanujulu Nayudu has been drawing the maximum pay of the appointment (Rs 50) for the past two years. In addition to this, he draws a 'duty' allowance of Rs 10 per month vide G.O. No. 1633 Eol of 19 Dec. 1918.

The Dir. of Pub. Instr. recommends the grant of a ~~personal~~ concessional personal allowance of Rs 10 p.m. to the Gymnastic Instructor and is of opinion that the Instructor's work has been of a particularly meritorious

character and deserves special treatment

~~3. The Director's proposal may be approved and the case sent to the Finl. Dept for~~ ^{remarks} ~~approval.~~

② Please see page 5 of p. 6000 file, of 27.9.12 for the conditions for the part of personal allowances.

Most of the conditions seem to be satisfied in the present case. The condition that the officer should have been at least for five years in the existing pay is not satisfied here. The gymnastic instructor has been on the maximum pay of Rs 50 only for two years. If the original proposal of the D.P. to fix the scale of pay of the post at Rs 40-2-60 had been carried, there would have been now no room for the proposal to grant a personal allowance of Rs 10 at once. The D.P.'s letter makes out a case for some recognition of the services of the instructor in a difficult situation. Though he has put in a service of 32 years, it is not unlikely that a further

p. 2 of 4.

application on his behalf will be made to Govt. before retirement. It took him six years to reach Rs. 50 from Rs. 40. In these circumstances, it seems supplied to grant a graded scale of personal allowance, a biennial increment of Rs. 3 upto Rs. 9 may perhaps do.

Financial Dept.

Please see the Home Dept. notes above.

2. The pay of the Gymnastic Instructor was originally fixed at Rs. 20. 2. 40. In 1911 the D. P. O. stated that the Instructor had been for several years on the maximum pay of the post and that he would be required to do extra work. The Govt. accordingly raised the pay of the Gymnastic Instructor to Rs. 30. 2. 50. vide page 7 of note to G.O. 10728/13-3-11
3. The D. P. O. now states that the increase of pay sanctioned in 1911 was not felt as an adequate reward for the onerous duties of the office, especially as he was drawing Rs. 40, the maximum of the old scale; and as he had to wait for 6 years before attaining the maximum of the

present scale viz. Rs. 50, which he has been drawing for the past two years.

The D.P.I. accordingly recommends the grant of a concessional personal allowance of Rs. 10 per mensem in view of the long and approved service of 32 years which he considers to be of a "particularly meritorious character and deserves special treatment".

It is doubtful whether the duties of a gymnastic instructor ^{are} such as can be brought within the scope of Rule IV on page 5 of G.O. 600 financial dated 27-9-1912. Personal allowances such as these are usually dealt with under Rule 11 on page 5 of G.O.

No. 600 Finl. dated 27-9-1912 viz. ⁽¹⁰⁾ Compensatory Personal Allowances. ⁽¹⁰⁾ ~~Rs. 4.00~~ ^{Rs. 15.00} ^{Rs. 3.00} ^{Rs. 11.12.17.5.21.00} ^{Rs. 25.4.17.}

4. The Home dept consider that a graded scale of personal allowance -- biennial increments of Rs. 3 up to Rs. 9 -- would suffice. (It is presumed that they mean a compensatory personal allowance of Rs. 3 rising by annual increments of Rs. 3 up to Rs. 9).

5. Attention is solicited to para 4 of notes A on page 7 of notes to G.O. 141 Edn. dated 13-3-11. When the pay was raised to Rs. 30-2-50, it was considered that the revised pay would be enough to procure an efficient Gymnastic Instructor. There is no reason why the increase was not felt as an adequate reward for the onerous duties of the office. Besides, for the extra work he ^{was} expected to do in training in drill instructors he was granted an additional remuneration which was in G.O. 1633 Edn dated 19-12-18 converted into a duty allowance. This would count towards leave allowances and pension. Vide Art: 32 C.S.R. Cf. also portion marked A of the Director's letter on page 2 C.F.

6. As regards the grant of a Compensatory Personal allowance, attention is solicited to page 5 of G.O. 600 Financial dated. 27-9-12. The conditions laid down

would appear to
therin contemplated that the officer for whom such an allowance is to be granted is one deserving of promotion but has nothing to look forward to-- at least for some 5 years before his retirement.

In the present case the Gymnastic Instructor has put in a service of 32 years and will be 53 years of age in August next. (i.e.) he will ^{therefore} be retiring in the ~~ordinary course after~~ ^{the course of} 2 1/2 years.

Again Condition 1(c) for the grant of a compensatory Personal Allowance has not been satisfied as the instructor has been on the maximum pay of his appointment for only 2 years.
