I have the honour to state that the Government in G.O.No. 1585 dated 15-12-17 sanctioned a boys' school at Fathekanpet and it was opened on 1st February 1918. It made a good beginning and the strength increased gradually to 50 with 4 standards. Then the Council sanctioned a second teacher on Rs. 11/- for six months on the recommendation of the Educational authorities. (Please vide copy of Resolution No. 106 dated 27-5-18 enclosed) The growth of the School did not stop there but increased still 1Vth Class..... 5 further and the present strength is 92 with 4 classes specified in the margin. Seeing that the School cannot be

be managed even by two teachers the Council on the recommendation of the Educational authorities, a third teacher on Rs.11/- for six months in Resolution No 408 dated 21-9-18. In the proposals submitted to the Director of Public Instruction in this office letter No. 2260 D dated 13-8-17 for opening new schools and strengthening the existing schools provision was made ~~for~~ for the permanent retention of these teachers in the school. I request you to be good enough to move the Government and obtain their sanction for the additional funds required for the School, owing to the employment of 3 teachers therein under the circumstances referred to above.

I have the honour to be,

Sir,

Your most obedient servant.

Station Madras, Dated the 24th December 1918

From (Name) The Hon. Mr. E.S. Duncan, M.A.,
(Designation) G. Director of Public Instruction.

To The Secretary to the Government of Madras,
LOCAL AND MUNICIPAL Department.

Sir,

In resubmitting herewith letter No. 1563, dated 26th November 1918 from the Chairman, Municipal Council, Nellore, referred to me for remarks in Government Memorandum No. 8205-1 M, dated 13th December 1918, I have the honour to state that in connection with the proposals for opening new elementary schools and strengthening existing ones the Chairman informed me in September last that the Municipal Elementary school, Fathekanpet, had a strength of 54 distributed over four standards and asked for two additional teachers on Rs. 12/- each. As this strength did not justify the employment of more than two ~~additional~~ teachers, I have in the proposals submitted to Government, Home (Education) Department in

1
my letter R.C. No. 4568/18, dated 29th November 1918 (Statement B) recommended the appointment of one additional teacher only for this school on a pay of Rs. 12/- per mensem. The Chairman's present letter shows that the strength has since risen to 92, and under the Madras Educational Rules the school should have three teachers. I would have made my recommendations accordingly had I known in time of the further increase in strength.

I have the honour to be,

Sir,

Your most obedient servant,

R. Narayana
