Council of South India are prepared to undertake the management
of the schools of the Schleswig Holstein Mission, the Hermanns-

year 1919-20. I have communicated with the bodies that have
previously been financing the work and also with the members
of the Committee that have been controlling it and I learn that
they are willing to continue as before. On behalf of the Educa-
tional Council, therefore, I am instructed to say that the Coun-
cil will be glad as previously to be responsible for the manage-
ment of the schools formerly maintained by the Missions above
mentioned.

Re 2336/2, from the D.P.G., R.C. 8915/18, 8-11-18.

In the circumstances stated

in para 1 of the Director's letter, the Govt. need not, it is held, appoint a new member in place of the Rev. W. E. H. Gargan of the ~~the~~ committee of management of the Leipzig Evangelical Lutheran Mission Schools, resigned.

2 With reference to para 2 of the current letter, nothing appears to have been settled as to the future of hostile missions in this country. In all probability the present arrangement ^{for} ~~into~~ the management of their schools will have to continue ^(this in) ~~for some~~ 1919-20 also. The D.P.G. may therefore be asked to make the enquiries suggested by him.

3 A draft memo following the precedent in Memo No. 1543/2-2 d/18th Feb. 1917 is subd. If approved, it may be sent to Public for acceptance or remarks.

schedules of the properties have

after the issue of the vesting order
the disposal of the properties of the

that the Govt of India have decided to vest the properties of the Leipzig mission, the Hermannsburg mission and Schlesing Holstein mission in the Custodian of Enemy Property, Madras, and draft vesting orders in respect of the properties have been furnished to the Govt of India. The future disposal of the properties is under the consideration of the Govt of India, and will be taken up soon after the issue of the vesting order. Having in view the complications of ownership of most of these mission properties, I submit that it is unlikely that the arrangements for their disposal will be complete by 1st April. Even when the properties are vested somebody will have to run the schools until a final decision as to their disposal is come to. In these circumstances I submit that we must differ from Pablic & agree with Home.
