From (Name) The Hon'ble Mr. H. S. Duncan, M.A.,
(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

In submitting herewith the enclosed letter from the Honorary Secretary to the Coimbatore college committee applying for a special grant of Rs.4816-4-0 to cover the deficit in the working of the college, I have the honour to state that a teaching grant of Rs.600 for which the college was found eligible under the rules of the Grant-in-Aid Code has been sanctioned for the college for the current year. If any additional grant is to be paid to the college to enable the management to continue its working it will have to be given as a special case.

2. In applying for the net deficit of Rs.4816-4-0,

the

the Secretary has not taken into account the opening balance of Rs.2231-6-3 remaining to the credit of the college at the beginning of the current year and I see no justification for leaving it out of account. The net deficit according to the budget submitted by the Secretary will therefore be only Rs.2584-13-9. I see also no reason to allow any expenditure on scholarships by the management. In the budget the expenditure on items 10 to 14 Furniture, Science apparatus Laboratory expenses, Other appliances for teaching and Library is estimated to be Rs.4531/-. The Secretary has taken credit for a grant of Rs.580/- for furniture (though a grant of Rs.880/- has been promised by me for the same under Chapter IX of the Grant-in-Aid Code) and of Rs.928/- for library. As a half grant of Rs.2265/- is admissible under Chapter IX of the Grant-in-Aid Code towards these items the college can get an additional grant of Rs.2265 - (580+928) or Rs.757/- under Chapter IX. The Secretary will be asked to submit a revised application for a half grant for these items. The deficit to the management at the end of the current official year will thus be reduced to Rs.2584 - (500 + 757) or Rs.1327/-. In the special circumstances represented by the Secretary, I propose sanctioning an additional teaching grant of Rs.1330/- in round figures to the college during the current official year from the savings anticipated under discretionary grants for aided secondary schools included in the current year's budget provision for teaching grants to secondary schools for boys.

I have the honour to be,

Sir,

Your most obedient servant,

R. Arivine

for Director of Public Instruction.

Sir,

I have the honour to send herewith a copy of the Budget of the Coimbatore College sanctioned by the Committee for the current year 1918-19. It shows the College is to work this year at a net deficit of Rs.4816-4-0 (opening balance of Rs.2231-6-3 plus 2584-13-9 deficit on 31-3-19) even after crediting Rs.1991-4-0 the interest on the Endowment Fund. I may assure you that all possible retrenchment has been made and the expenditure has been brought to the barest minimum without at the same time allowing the efficiency of the institution to suffer in any way. The Government has not been very liberal towards the institution in recent years even though the management has made most of the improvements suggested by the Inspecting authorities and the University's Commission and has thereby considerably increased the recurring and non-recurring expenditure in recent years. A progressive grade based on time scale has been instituted for the teachers. A better paid and better qualified teaching staff has been employed. A Provident Fund, has been brought into existence. Considerable sums of money have also been spent for the improvement and housing of the Laboratory, for furniture and for Library. The management expected

expected that Government would be liberal towards the institution and give a grant at least equal to what they were giving before, plus the increased recurring expenditure involved in making these improvements. Contrary to that expectation, the Government which was giving a grant of Rs.1665 in 1915-16 and the previous years has given only a grant of Rs.355 last year and has intimated that a grant of only Rs.600 will be given this year for general expenditure on the institution. Considering the present condition of the District and the several demands on the purse of private gentlemen for other necessary purposes, it will not be possible to increase the Endowment Fund to any considerable extent in the near future. Unless the Government comes to the rescue of the College at this critical time, the management may not be able to continue the institution as a Second grade College for long. I request the Government therefore to make a grant equal to the deficit above mentioned viz.,-- Rs.4816-4-0 this year. I may also mention that the present state of the College is partly due to the fall in the number of students in the College classes owing to the small number of boys declared eligible for admission thereto in the District last year. This is the only institution in the District preparing boys for the Intermediate examination of the Madras University and it has done very good and useful work in the past. So it deserves special consideration at the hands of Government.

I have the honour to be,

sir,

Your most obedient servant,

Honorary Secretary,

College Committee.

The D.P.D. proposed

to disburse a special grant of Rs 1330
to cover the anticipated deficit in the
working of the college at Benimbatore.
During 1918-19, the amount being
met from the provision of Rs 30,000
for the payment of discretionary grants
included in the current year's provision
under 22-G-Grants-in-Aid. The
allotment of Rs 30,000 is primarily
meant for giving supplementary grants
to needy institutions to enable them to
secure ~~their~~ competent staff and the
file relating to its distribution is now
in circulation.

2 The Benimbatore college is
one of the institutions to be promoted
in connection with the model school
scheme; and it seems very desirable
to help it at this juncture. It is therefore
submitted that the sum of Rs 1330
recommended by the D.P.D. may be paid
to it as a special teaching grant on the
analogy of the grant sanctioned in No.

no objection to meeting the amount from the source mentioned in para 1 Supra, as the D.P.I. is presumably unable to meet the extra liability from the normal provision for teaching grants. The Director has proposed a similar grant of Rs 500 to the Government Institution at Lokhatapur. Submitted that this also may be sanctioned. It seems hardly necessary to await the ^{refusal of the} ~~file no.~~ discretionary grant from Expenditure. ^(from this grant) ~~Expenditure~~ of these two grants are pending. There will still be a balance of Rs 28,170 which may be distributed to other needy institutions. The case may go to Final for remarks.
