Station Madras, Dated the 17 January 1919

From (Name) The Hon'ble Mr. H.S. Jannan, M.A.

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

Under the rules for the payment of capitation allowance to conductresses employed in Government Girls' Schools such allowance is admissible only in respect of such girls as are brought by them and as have put in 15 full attendances in a month, though with reference to item 1 (B) of Appendix F to Madras Treasury Manual, Volume II the above allowance during authorized holidays should be calculated on the average of the allowances drawn during the preceding two months. The Government

Girls' School, Jaggampeta, worked in August last for only 10 days excluding authorized holidays and it remained closed for 15 days on account of cholera.

2 In view of the fact that the working days fell short of 15 days and that the days during which the school remained closed could not be regarded as 'authorized holidays', the conductress has become ineligible for capitation allowance. As the closure of the school was not occasioned by any fault on the part of the conductress, the Inspectress of Girls' Schools, Northern Circle, is of opinion that she should not be deprived of capitation allowance for the month but that it may be calculated on the average attendance of the previous two months as though the school was closed on account of 'authorized holidays'. I, however, consider that payment of a proportionate amount calculated on the number of days of attendance put in by all the girls during August last would meet the ends of justice and have accordingly the honour to request that Government will be pleased to accept my proposal.

I have the honour to be,

Sir,

Your most obedient servant,

Note:- The ruling

In the Treasury Manual refd. to say
the D.T. 9. Is reproduced below:-

"The pay of conductresses in Govt.
girls' schools is supplemented by an
allowance of 1 anna per girl putting in
15 full attendances in a month."

"During authorized vacation the
allowance shd. be calculated on the
average of allowances drawn during
the preceding two months"

2 In view, however, that the
closure of the school advised to
in the Director's letter (P-2, c-f) can't
be termed an authorized vacation, the
Director recommends the payment to
the conductresses of a proportionate
amt. of gratification allowance based
on the no. of ^{days of} attendance put in by the
pupils in Aug. 1918 though the no. of
working days was only ten, there falling
short of the prescribed fifteen a month.

2 Draft need not go to Fm: as
