Through

THE INSPECTOR GENERAL OF REGISTRATION,

M A D R A S.

And

THE REGISTRAR OF ASSURANCES,

M A D U R A.

The humble memorial of V.R. Subrahmanya Iyer, Government Diplomat - in Commerce and Clerk, Registrar's Office, Madras,

MOST RESPECTFULLY SHOWETH:

That the memorialist is one who has suffered on account of the recognition of the School Final Scheme, abolishing the Matriculation Examination of the University of Madras, as the only passport for entering Public Service and hence craves Your Excellency's kind and sympathetic consideration of the shortcomings and grievances which he had undergone and prays for early orders and proper redress for his being exempted from the operations of Article 1 of the Public Service Notification as a special

special case.

2. That the Memorialist was one of the candidates of the Matriculation Examination in the years 1908 and 1909 and that he was, by pressure of circumstances both pecuniary and otherwise, forced to discontinue his studies on the lines of the School Final Scheme, which came into force the next year.

3. That, although the Government was pleased to allow the old unpassed Matriculates to appear again, during the years 1911, 1912 and 1913, as the School Final Scheme was thought to be a hardship for them, since they were asked to attend the lower classes and come up only afterwards to appear for the School Final Examination -- which means studying again in IVth and Vth Forms --, the Memorialist was not able to renew his studies during the years 1910-11 and 1911-12 on account of the difficulties he was put to in the interim by way of change of residence, etc.

4. That in the year 1912-13, the last chance left open for Your Excellency's humble Memorialist to appear, he applied for his school leaving certificate to the Head-Master, S.P.G. High School, Trichinopoly, wherein he studied last and without which he would not be admitted in any other school, as he had since then transferred his residence, with a view to study at Madura and that the Head-Master refused to grant the same with the endorsement that it was not tendered by a parent or guardian, although he knew that he was an orphan.

5. That his application to the Inspector of Schools, Vth Circle, requesting to interfere and get for him his leaving certificate, became fruitless as he returned the same with the endorsement of the Head-Master to the effect that the Memorialist may join his old school while the

the minimum number of days required for attendance at school had completely expired and the Memorialist could not, therefore, be admitted in any of the schools for the above reason.

6. That it may well be seen that, on account of the delay and non-compliance as pointed above, Your Excellency's humble Memorialist's endeavours, to appear at least during the last chance, have failed to the detriment of his interests.

7. That, in a reference by his brother, R. Apadharna Aiyer, to the Registrar of the University of Madras, in 1916, whether the Memorialist may be admitted either to School Final Examination or to the Matriculation Examination as the local institutions were not able to give any definite information in any of these directions, the Registrar was pleased to refer him to the Commissioner for Government Examinations, Madras, for any definite reply and copy of the same is enclosed herewith, marked as Enclosure I, for Your Excellency's kind perusal.

8. That Your Excellency's humble memorialist, with a view to try his last resort at least by a reference to the Commissioner for Government Examinations, referred his whole case to him in 1916 for special consideration requesting him to allow him to appear either for School Final Examination or the Matriculation Examination and that the Commissioner was pleased to make an endorsement to the effect that the request is inadmissible and a copy of the same is submitted herewith marked as Enclosure II.

9. That, having lost all chances for acquiring the benefits of general education, Memorialist turned his attention to Technical Education and that, by dint of energy, he has got the Diploma in Commerce of Your Excellency's Government.

10. That the Memorialist begs leave here to state that a Diploma in Commerce is given to one who has passed in 1 Book-keeping, 2 Theory and Practice of Commerce and 3 Commercial Geography, in the Advanced Grades, and 4 Banking, in the Intermediate Grade, of the Government Technical Examinations, Madras, and that, for items 1 to 3 above, -- only passed candidates can apply and that, for unpassed -- candidates, special permission ought to be received for -- each of them from the Commissioner who grants such permissions on seeing certificates, for general education, from heads of institutions and, for technical education, from -- persons of technical qualifications so that persons, appearing for higher grades of examinations, have sufficient knowledge of the subjects taken and have also the necessary general education and a copy of the notification is appended hereto marked as Enclosure III.

11. That the Memorialist begs to submit that he -- has received such permissions (please vide Enclosures marked IV and V) for the higher grades of examinations for which he applied and got through.

12. That the Memorialist begs to state that he is a permanent clerk of the Registration Department on Rs. 20 of more than four years service.

13. That it would be seen from the 2nd para below item (5) of Article 1 of the Public service Notification that "natives of India who have not attended any secondary school will be eligible if they satisfy Government that they have received an education at least upto the standard of the late Upper Secondary Examination or the Matriculation Examination" and that the Memorialist begs that this concession, which is extended to one who has not at all -- appeared for any examination but has only an evidence that he has undergone certain courses of study only, may at -- least

least, as an act of mercy, be extended to Your Excellency's humble Memorialist who has undergone the necessary courses of study prescribed for the Matriculation Examination according to the old curriculum and who might have got -- through but for the misfortunes which he had to meet and which were beyond his control. (Please vide certificates attached, marked as Enclosures VI to X.)

14. That it would also be seen from Notes (1) and -- (2) to Article 4 of the Rules relating to Special Test -- Examinations that a Diplomat in Commerce is given preference for appearing for certain Special Tests even if he -- has not got the required standard of general education -- prescribed for such tests. (Please vide extract enclosed marked as Enclosure XI.)

15. That, in this connection, a reference may also be made to answer to question No. 27 in page 26, and answer -- to question No. 48, in page 29, of the Proceedings of the -- Madras Legislative Council, dated 12-2-1918, published in the Fort Saint George Gazette, dated 26-3-1918, where, in an answer to interpellations a liberal view was expressed -- that restrictions are not imposed "on School Final candidates for appearing for the various Special Tests, irrespective of marks obtained in the public examination, provided he be a Government servant" and that, when such a -- lenient view is taken of a certain class of persons, though in other respects considered unpassed, Memorialist begs -- that such a liberal view may also be taken in his case in -- the light of the circumstances mentioned above.

16. That the Memorialist craves Your Excellency's -- benign consideration and pray that, under the circumstances pointed above and the difficulties he was put to and with reference to his attainments in other lines, though not in general, for which he had tried his best but in vain, an act of mercy may be extended from Your Excellency's extra-ordinary

extraordinary powers of Clemency and Justice to Your Excellency's humble Memorialist and that he may be exonerated from the operations of Article 1 of the Public Service Notification and be exempted and ordered to be allowed to be treated as a passed candidate, as a special case.

Your Excellency's humble Memorialist prays finally that he may be benevolently forgiven the liberty which, through severe stress of circumstances, he has been forced to take in laying the above representations before Your Excellency-in-Council and he earnestly submits that, for the justice and mercy he seeks on his behalf, he shall as in duty bound ever pray.

No. 2208.

Senate House, 23, Mar., 1916.

Ref: his letter dated the 20th March 1916.

Heads of institutions preparing candidates for the Public Examination under the School Final Scheme have had definite informations in the matter of sending up candidates for the Matriculation Examination also. His brother may therefore seek admission in any of the recognised High Schools and appear for the Matriculation Examination as a pupil candidate. Admission of students to High Schools, however, is entirely at the discretion of the authorities of the institution concerned.

Exemption from the production of the required certificate of attendance is granted by the Syndicate under conditions laid down in the enclosed copy of printed memorandum.

A pass in the Matriculation Examination is not considered a passport for admission to Public Service. For any further information on the question he is referred to the Commissioner for Government Examinations, Madras.

Candidates who wish to appear privately for the Matriculation Examination should appear for and obtain exemption from the production of the required certificate of attendance

at

MS

at a recognized high school before proceeding to the examination.

The Syndicate may grant exemption to candidates who during the previous three years have been educated privately or in schools outside the territorial limits of this University. Such exemption, however, is granted only in very special cases where satisfactory evidence of systematic tuition is produced, and where good and sufficient reasons are adduced for non-attendance at a high school. Employment, seniority in years or family poverty are not good grounds for seeking exemption from attendance at school.

If he satisfies either of the above conditions he is requested to submit his application for exemption in the enclosed form. The certificate required by Regulation 173, embodied in that form, should be signed by the head of a recognized high school or college or by some responsible Government servant.

In general in the case of unequalled

article I of the Public Service Notification, the fact should
be taken into consideration that he has obtained the diploma
in commerce, for which he had to pass the advanced grade
examinations in theory and practice of commerce, book-keeping
and commercial geography, and the intermediate examination in
banking, for which only passed candidates are ordinarily per-
mitted to appear [Paragraph 6(i) of the Rules relating to
Government technical examinations, pages 116 and 117 of the
Calendar for 1918-19 of the Madras Commission for Govern-
ment Examinations] and that he should be exempted from the
operation of article I of the Public Service Notification.
The undersigned considers that the prayer is deserving of
favourable consideration. The fact that the Commissioner
for Government Examinations specially permitted the petitioner
to appear for the higher grade technical examinations qualify-
ing for a diploma in commerce, for which passed men alone are
ordinarily eligible, is a guarantee that the petitioner has
received a general education up to the minimum standard pre-

all clerical appointments in this department, and the under-
signed recommends accordingly.
