From (Name) The Honourable Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

The authorities of the Edward Secondary School,
Mudikondan, Tanjore District, propose to acquire the sites
marked B, F, G, H in the enclosed site plan for use as a
playground and request that, for reasons stated in the
Correspondent's letter No. 9 dated 2-7-18 (copy enclosed)
the proposed acquisition should be at the entire cost of
Government. The Collector of Tanjore whom I consulted, states
that the sites in question should be acquired under the
Land Acquisition Act in order to secure an indefeasible
title, vide his letter No. 5690Rev of 1918 dated 28-12-18
(copy enclosed). As the provision of a playground is

necessary, I recommend that the sites may be acquired by Government without demanding any contribution from the management and leased to them on a nominal rent with reference to G.O.No. 1130 Home (Education) dated 3rd September 1918.

I have the honour to be,
Sir,

Your most obedient servant,

Letter from the Collector of Tanjore, D. No. 5690/Rev of 1918 dated 28th December 1918 to the Director of Public Instruction, Madras.

Adverting to your letter No. Ref. on C. No. 4615/18 dated 15-6-18, I have the honour to forward a revised sketch of the sites applied for by the correspondent of the Edward Secondary School Mudikondan and to state that the plots B, F, G and H may be acquired under the act for the use of the school. The sites were inspected by the acting Collector in August last and I agree with the Inspector of Schools and the Divisional Officer who recommends their acquisition in order to secure an indefeasible title in respect of the lands for the school authorities. The sketch received with your letter is returned.

Letter from the Correspondent, Edward Secondary School Mudikondan, to the Inspector of Schools, 6th Circle, Tanjore No. 9 dated 2nd July 1918.

With reference to your No. 696 T of 1918 dated 19th June 1918 communicating the Director's Pros. No. 4615 of 1918 dated 15th June 1918, I have the honour to state as follows:-

The management has already ~~been~~ taken pains in providing a pakka school building of its own without any aid from the Government and has still to provide further amounts for the same i.e. for the construction of compound walls etc.

As regards the acquisition of lands applied for, I have to state here that it has been found impossible at present to raise any funds in the locality for the purpose and I also think it not wise enough to diminish the school funds for this object. Again if the lands are not required soon, I am afraid that one plot will become deeper as a pond and seriously affect the sanitary conditions of the school while another plot may be converted by the owners, to some

other purposes which will make us impossible to acquire the same afterwards.

Moreover the amount applied for i.e. Rs. 1224 being only small and considering the liberal attitude of the Government towards the provision of the play grounds to Secondary Schools without any contribution by the managements and also the fact that the Government have allotted during the current year one lakh of rupees towards the object I earnestly request you to kindly recommend similar consideration towards this school also.

The Educational Association, Mudi Konda, which is the managing body of this Secondary School, has at its disposal as general funds about Rs 5,500, from which the annual net cost of maintaining the school is met. The management informs me that a 'pucca' building for the school was provided without Government aid, and that a compound wall is now under construction at a cost of about Rs 500.
